My Task List: You will see 4 Folders:

1. Budget Cycle Activities
2. Budget Cycle Inquiries
3. Budget Reference Materials
4. View Historical Data
Budget Cycle Activities

1. **Budget Cycle Activities**: A task list where you will find your assignments. On this page you will also have the option to navigate to your entry forms.

Under **Budget Cycle Activities** you will see three search and entry forms:

A. Search and Enter Budgets
B. Search for Positions or Employees
C. Position Maintenance

A. **Search and Enter Budgets**: On this page you will see all current cost centers that you have access to. You can also choose to view one cost center at a time using a member selection (Chartfield) such as by **DEPARTMENT**, by **FUND** or by **PROGRAM**. Budget can also be updated from white cell column on PROPOSED fiscal year.

(NOTE: Report available to view cost center with the Modified date 09/01/YY (Current FY). Report displays all the cost centers that are active and have no dollar amount. Further discussed in Budget Reference Material.

- **Add a Cost Center**: By placing your cursor on a white cell and right clicking, you will be given the option to **ADD COSTCENTER**.

  - **How to add a new cost center** - (How to add a CC video) to open the link press Ctrl and click on the blue font
Steps:

1. Fill in Entity Department, Fund, Program and Budget Account. *(You can do so by keeping the same format i.e. “FE_HXXXX”, “FC_XXXX”, “PR_BXXXX_730” and just change areas that have X's).*

2. To fill in the Program Code click the search drop down menu to the right.

3. Use the smart search tool to search for program

4. Highlight the program

5. Click Add

6. Scroll Down, Click OK
7. Once Department, Fund, Program and Budget Account are entered press LAUNCH.

8. At this point you have added a cost center, remember to SAVE.

- **Add a Budget Node:** Go to the account code chartfield/member (budget node) and right click, you will see ADD BUDGET NODE option. You will also be able to add budget node from Cost Center Summary page.

- **View Cost Center Summary:** To view individual cost center information, place your cursor on Program member and right click you will see an option to **VIEW COST CENTER SUMMARY.**

**Things you can do in View Cost Center Summary:**

- Edit/Adjust Budget on Proposed Fiscal Year
- Edit FTE
- Double check that your cost center has enough Budget & FTE to cover allocated salaries.
*** HOME DEPARTMENT section allows user to see where position is housed (also helpful for split funded positions).

**NOTE:** If this is a salary cost center that is currently active and contains employees you will have the option to edit positions or employee information from the Cost Center Summary Form.

- **To Edit Employee Information** right click on the employee you wish to edit. Once again you will get a drop down menu where you will see EDIT EMPLOYEE JOB INFORMATION. This will be further discussed in Search for Position or Employees section (B).

- **To Edit Position Information** right click on POSITION member you wish to make changes to. You will get a drop down menu where you will see EDIT POSITION INFORMATION. This will be further discussed in Position and Maintenance section (C).

- **How to navigate the Search and Enter Budgets Form** - (How to Navigate search and enter Budget video link)

**B. Search for Position or Employees:** On this page you will see all employees under a particular area (college/division) with their present-day position. Using quick search you have the following options: Search by Department, Search by Employee and Search by Position Number.

- **Edit Employee Job Information:** To edit employee job information from the main page (Search for Positions or Employees) right click on Employee’s Name. Here you will see an option titled Edit Employee job information
Steps:

1. Right click on Employee Name, then click Edit Job Information (Hours, Salary Basis and Annual Salary Spread).

- **Add/Remove Priority**: You can add a priority by right clicking on department chartfield/member and selecting ADD PRIORITY from drop down menu.

Steps:

1. Right click on Department member and select ADD PRIORITY from drop down list.

2. Left click on Member Selector Icon to search for list of priorities
3. Click on search drop down menu

4. Highlight priority type

5. Press Add

6. Press Okay

7. Then LAUNCH

8. Add a dollar amount to the priority

9. SAVE
• You can also **REMOVE** a priority

**Steps:**

1. Right click on Priority
2. Click on Remove Priority
3. Remember to SAVE

**NOTE:**

**Edit Position Information:** You can also edit Position Information from main page (Search for Positions or Employees) by right clicking on the desired position where you will see an option titled **Edit Position Information. This is further discussed in Position Maintenance section (C).**

**C. Position Maintenance:** On this page you will see all active positions with current employees. You have the option to do a Smart Search by Department ID, Employee or Position Number.
Steps:

1. Right click on position number
2. Click Edit Position Information

This will take you to a form where you can see the funding source of a position along with the percentage allocation and FTE information.

- Here you can edit, add or remove a Funding Source
- Change Percentage Allocation

3. Right click on Percentage Allocation
4. Click on Add Funding Source from Percentage Allocation cell (base/proposed)

5. Add or Edit funding source
6. Click LAUNCH
7. Change the Percentage Allocation (remember overall percent allocation must equal 100%).

8. Press SAVE

In this section you can also:

- Change Funding Source
- Remove Funding Source
- Add Group CC Funding Source
- Change Funding Source to Group CC

**Change Funding Source:**

- Select Change Funding Source
- You will select appropriate Chartfield values (see screenshot below)
- Click on LAUNCH

**Remove a Funding Source:**

- Select Remove Funding Source or Delete the value from the funding source that you want to delete
- SAVE
Add Group CC Funding Source:

- Select Add Group CC Funding Source
- Search for Group CC Dept. by clicking member selector Icon and select Department
- Once department is selected click on ADD (See screen shot below)
- Click Ok

- Search for Enter Group CC code by clicking member selector Icon and select appropriate Program
- Once Program is selected click on ADD (See screen shot below)
- Click Ok

- Then LAUNCH

- Once Group CC is added adjust your percentage accordingly
Change Funding Source to Group CC:

- Select Change Funding Source to Group CC
- Search for funding department to Group CC
- Click ok
- Search for a corresponding Group CC code
- Click ok
- Then LAUNCH
- Remember to enter a Percentage Allocation amount equal to 100%.
- SAVE
***“Sync” option will default the employee to reflect current data in HR.

On Position Funding section of Position Maintenance form, you can:

- Vacate a position
- Sync Employee Current HR information (only if information is already under HR PeopleSoft)

Budget Cycle Inquiries

2. Budget Cycle Inquiries: These six forms are designed to give an overview of your budget and help you to determine if you are in balance.

A. Budget Balance Check:
   a. Budget Balance Check form provides a department summary by fund group with the ability to drill down (by right clicking on fund group and selecting Open Fund Group) all the way down to the program level of a cost center.
   b. You can expand on expenditure and revenue budget nodes to get a break down of your budget.
   c. To watch our training video click [here](#). To open the link press Ctrl and click on the blue font.

Examples of how you can use form:
1. This form helps you verify that your budget balances:
   a. By Fund Group
   b. By Fund Code
   c. By Cost Center
   d. By Department
2. Use the balance column to verify central allocations as well as self-supported funds.
3. Use the interactive tool to find the trouble spots.

B. Budget vs Actuals Inquiry:
   - On this form you can see your budget for Current and Proposed year vs Actuals (year to date), and commitments by budget node.
   - It enables the end user to view information by department grouping, fund grouping and program grouping.
   - This form will be available year round (as view only) to help you maintain your budget and have a better assessment for proposed year’s financial plan.
   - To watch our training video click [here](#).
## C. Budget by Department with Graph:

- This graph represents the sources and use of the selected department for current and proposed fiscal year.
- The sources are presented by fund group (doesn’t include Fund balance and Recovered cost).
- The expenses are presented by the strategic initiative of the university and could be classified by the NACUBO function.
- Strategic Initiative Category consist of the following NACUBO (program) groupings:

## D. Budget Inquiry by Strategic Initiatives

- Allows you to review budget by Strategic Initiatives by selecting Fund and Department. This option provides two years of actuals and current year along with commitments. When you expand Strategic Initiatives you will see only the NACUBO’s that have Revenue and/or Expenditures.

## E. Budget Inquiry by Strategic Initiatives with Account

- Allows you to review budget by Strategic Initiatives by selecting Fund, Department and Account. Account option lets you select various combinations, example: faculty, salary and also a budget node. This option provides two years of actuals and current year along with commitments. When you expand Strategic Initiatives you will see only the NACUBO’s that have Revenue and/or Expenditures in the Account selected on top drop down option.

**NOTE:**

- Accounts reflect Budget Summary Tree, therefore it is in following order.
- **REVENUE,** includes Fund Balance plus Recovered Cost
- **Other Revenue,** represents Revenue minus Fund Balance and Recovered Cost
- **EXPENDITURES,** includes all Expenditures
