University of Houston Clear Lake

Message from the President

Dear University of Houston-Clear Lake Community,

The University of Houston-Clear Lake is committed to fostering a safe and inclusive environment where all students are free to pursue their educational goals. To achieve our goals, everyone in the UHCL community shares responsibility for a commitment to campus safety. This annual report documents crime statistics in and near the university, in compliance with Clery Act reporting requirements. It also describes the university's measures to prevent crime, work with victims, and increase care and safety.

The 2020 Annual Security and Fire Safety Report contained within these pages includes all Clery Act crime and on-campus resident hall fire statistics for calendar years 2017, 2018, and 2019. UHCL faculty and staff are committed to making the campus a welcoming, safe, and secure learning environment for all members of our community. This year, I am pleased to welcome our new Chief of Police and Executive Director of Public Safety, Chief Russell Miller. Chief Miller previously served as our Assistant Chief of Police after a distinguished career with the Houston Police Department.

Chief Miller and I welcome you to the University of Houston-Clear Lake.

Go Hawks!

Sincerely,

Message from the Chief of Police

The University of Houston-Clear Lake (UHCL) is committed to providing the members of the campus community and visitors with the safest and most secure environment possible. With this in mind, even the most extensive initiatives cannot succeed without awareness and cooperation from the community members who work, study, and live on campus. This report includes security and safety information for each of the UHCL campuses: UHCL, UHCL Pearland, and UHCL Texas Medical Center.

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act requires all postsecondary institutions to disclose campus crime statistics and security information. The Act passed into law in 1990 as the Crime Awareness and Campus Security Act. A 1998 amendment renamed the act the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act in memory of a student who was slain in her dorm room in 1986 (the catalyst for the original legislation). The Clery Act requires higher education institutions to give timely warnings of crimes that represent a threat to the safety of students or employees and to make public their campus security policies. It also requires the collection, reporting and dissemination of crime and fire data to the campus community and to the Department of Education. The Clery Act is intended to provide employees, students and their families, and potential employees, students and families, as higher education consumers, with accurate, complete and timely information about safety on campus so that they can make informed decisions.

In compliance with this Act, the University's designated Clery Authority is Executive Director, Public Safety/Chief of Police, Russell Miller. Through Chief Miller, the University of Houston-Clear Lake Police Department has produced the Annual Security Report, which contains the aforementioned information. In addition to campus crime and fire statistics, this report is also a resource guide for campus safety services and crime prevention strategies. Inquiries about this report may be directed to Chief Miller at 281.283.2222 or by electronic mail: policechief@uhcl.edu

We hope this publication proves helpful and informative.

Executive Director of Public Safety/Chief of Police

Message from the UH System Clery Act Coordinator

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act or “Clery Act” was born out of one family’s tragedy in 1986. Today, the Clery Act is used by the Department of Education and universities across the United States to allow members of the community to review the university’s annual crime and fire statistics, emergency response procedures, and crime prevention policies through the annual publication of the Annual Security and Fire Safety Report. The University of Houston System is dedicated to ensuring accuracy, transparency, and care for our university communities in all aspects of Clery Act compliance. The Annual Security and Fire Safety Report is meticulously assembled by our team of Clery Act professionals across the UH System, whose goal is to ensure all current and prospective students, employees, and guests have safety and security resources readily available in one easy to reference package.

Thank you for taking the time to review our world class universities and programs. We hope to see you soon!

Annual Security Report and Disclosure of Crime Statistics

In 1990, George H.W. Bush, the 41st President of the United States, signed into law The Crime Awareness and Campus Security Act. The Act was designed to assist a campus community in making decisions which affect their personal safety by requiring institutions of higher education to provide certain campus security information to current and prospective students and employees annually on October 1st.

The Higher Education Act of 1998 and the subsequent amendments of the implementing regulation (34 C.F.R. 668.46) significantly expanded institutions' obligations under the Act. The Act was also renamed the "Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act," in honor of a student slain in her dorm room in 1986. The Act is now generally referred to as the Clery Act.

In 2008, the Higher Education Opportunity Act (HEOA) reauthorized and expanded the Higher

Education Act of 1965. The HEOA amended the Clery Act and created additional safety and security related requirements for institutions.

In 2013, Barack H. Obama, the 44th President of the United States, signed into law a reauthorization of the Violence Against Women Act (VAWA), and included in the reauthorization the Campus Sexual Violence Elimination Act (Campus SaVE Act). These additional measures amended and strengthened the Clery Act and provided additional rights to victims of sexual assault, dating violence, domestic violence, and stalking.

The decades long continued refinement and strengthening of policies meant to protect a university's community, and to ensure transparency in all matters that affect the safety and security of students, employees, and visitors is the aim of the Clery Act.

Creation of The Annual Security Report

Each year, the University of Houston-Clear Lake Police Department, under the supervision of the University of Houston System Clery Act Coordinator, collects, classifies, and counts crime reports, crime statistics, and disciplinary referrals for crimes as specified in the Clery Act, that occur (1) on campus; (2) in campus residential housing facilities; (3) within public property, including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus or

immediately adjacent to and accessible from the campus; and/or (4) on certain non-campus property.

Once the crime statistics have been gathered from internal university sources, and external law enforcement agencies, the crime statistics for the last three calendar years are included in the annual security report containing safety and security policy statements.

About the University of Houston–Clear Lake Police Department

The UHCL Police Department (UHCL-PD) is composed of commissioned police officers who are granted the authority and responsibility to investigate all crimes occurring on the property owned or controlled by the University. As with any University police agency in the State of Texas, our police officers have jurisdiction in any county within the State in which the University has property that is owned, leased, rented, or otherwise under the control of the institution. UHCL-PD officers are fully empowered by the state to stop vehicles, make arrests and enforce all laws. UHCL-PD officers provide the same level of service offered by a municipal police department, as well as other services unique to an academic institution. The department operates 24 hours a day, 365 days a year. The department works closely with administrators, students, faculty and staff to create and maintain a safe environment.

The University of Houston–Clear Lake Police Department has been continuously accredited since 2012. The UHCL Police Department most recently earned accreditation through the prestigious International Association of Campus Law Enforcement Administrators in 2018. IACLEA is an association that represents campus public safety leaders at more than 1,200 institutions of higher education and offers accreditation to colleges and university law enforcement, security, and public safety departments. IACLEA accreditation constitutes recognition that a department conforms to the highest professional standards for campus law enforcement and protective services. Previously, the department was accredited through CALEA: The Commission on Accreditation of Law Enforcement Agencies.

Crime Prevention Programs

The University of Houston–Clear Lake offers multiple programs to help inform and assist students and employees about security and safety both on and off campus. Crime prevention and awareness programs are sponsored by various university departments throughout the year. These programs include general crime prevention and awareness programs and programs specifically aimed at the prevention of sexual offenses, dating violence, domestic violence, and stalking.

In 2019, the UHCL-PD offered several programs to students, faculty, and staff to meet the goal of community awareness and crime prevention:

- A campus police department or a campus security department of an institution.
- Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance into institutional property).
- Any individual or organization specified in an institution’s statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.
- An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.

All Campus Security Authorities are required to promptly report all Clery Act crimes affecting the university community to UHCL-PD using the Clery Incident Report Form. See Enclosure 1.

Confidential Reporting

Campus Professional Counselors, when acting as such, are not considered to be a Campus Security Authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics. The rulemaking committee defines counselors as:

Professional Counselors – Counseling and Psychological Services at the University of Houston-Clear Lake. An employee of an institution whose official responsibilities include providing psychological counseling to members of the institution’s community and who is functioning within the scope of his or her license or certification.

The Texas Department of Public Safety Sex Offender Database may be accessed by any member of the community. <https://records.txdps.state.tx.us/SexOffender/>.

In addition, sex offenders who are required by law to register in a state of residence, and are employed by the university, conduct contract work for the university, or are enrolled as a student, are required to provide notice to the UHCL-PD. Timely Warnings

The University of Houston-Clear Lake works diligently to keep members of our community safe. Students, faculty, staff, and visitors are encouraged to report all crimes and emergencies to the UHCL-PD in a timely manner to aid in providing accurate and timely warning notices to the university community when necessary. When a reported criminal act poses an ongoing threat to the safety of the university community, a UHCL ALERT may be issued to all

members of the university community. UHCL ALERT is the official emergency notification system of the University of Houston-Clear Lake. UHCL ALERT is used to provide prompt warnings and notifications to students, faculty, and staff if there is a condition which may threaten the health or safety of those on campus. UHCL Alerts will be distributed via text message, email, and on the UHCL ALERT website at www.alert.uhcl.edu.

Emergency Notifications

In the event of a significant emergency or dangerous situation occurring on campus that involves an immediate threat to the health or safety of the campus community, the university has various systems in place for issuing an Emergency Notification to communicate

information quickly. The methods of communicating Emergency Notifications include emails, text messages that can be sent to a phone, the UHCL ALERT website at www.alert.uhcl.edu and social media alerts may be activated in the event of a shelter-in-place emergency.

Emergency Response And Evacuation Procedures

The Emergency Management Plan, also known as the EMP, is a campus-wide plan that provides the basic

framework and outlines how any emergency would be managed on the University of Houston-Clear Lake

campus. It describes the roles, responsibilities, and procedures for departments, units, faculty, staff, and students during any incident.

<https://www.uhcl.edu/about/administrative-offices/environmental-health-safety/documents/emergency-management-plan-2018.pdf>

It is essential that the campus community be prepared to respond appropriately in the face of emergencies such as fires, explosions, and chemical releases. The following procedures are to be used by supervisors and managers to assist employees and students in thoroughly understanding the methods of an evacuation.

The key to a successful evacuation is planning. Each employee and student must familiarize himself/herself with the university's emergency procedures and evacuation plan. Employees and the student must also become familiar with the buildings in which they work, including the location of exits, fire alarms, and fire extinguishers. All employees and students must know their responsibilities. Practice drills should be conducted to maintain preparedness.

I. Pre-emergency responsibilities

- A. Knowing at least two exits other than the elevators.
- B. Knowing the location and operation of the fire alarm system.
- C. Keeping the University Police emergency phone numbers conspicuously posted.
- D. Participating in all fire drills and taking them seriously.
- E. Knowing how to use fire extinguishers. Become familiar with the locations and types of fire extinguishers.
- F. Knowing the location outside the building where members of your department must congregate upon exiting.
- G. Advising personnel that they are to begin evacuating at the first sign of smoke or fire alarm.
- H. Assigning one person and a backup to assist with evacuating each disabled individual.

The City of Houston Fire Department suggests the following evacuation options for students, faculty, staff and visitors with special needs:

- A. **"Buddy System" Evacuation Option** – inform a student, faculty or staff acquaintance (a

'Buddy') of the need for special assistance in the event of a fire alarm. When the fire alarm sounds, the "Buddy" should make sure of the individual's location, then go outside and inform emergency personnel of a person in a specific location who needs assistance in being evacuated. Emergency personnel will then enter the building and evacuate the person in need.

- B. **Horizontal Evacuation Option** – move a safe distance away from the area of imminent danger to another wing of the building or opposite end of the corridor. Always remain near an emergency exit.
- C. **Vertical (Stairway) Evacuation Option** – Those who are able to evacuate with or without minor assistance may evacuate via stairways.
- D. **Stay in Place Evacuation Option** – unless danger is imminent, remain in a room with an exterior window, closing the door if possible. If possible, call 911 or UHCL-PD 281.283.2222. Tell the operator your name, location and the nature of the emergency

II. Duties during an Emergency

- A. Activate the fire alarms and dial 911.
- B. Confine the fire by closing all doors and windows.
- C. Alert people on the floor so they can begin evacuation.
- D. Take your personal belongings and exit the building.
- E. Remain outside the building until allowed back in by the University Police.
- F. Congregate at the pre-designated location outside the building so that a headcount of the department may be taken.

III. Emergency Procedures for Disabled Persons

- A. If the fire is not on the same floor as the disabled person, close all doors and wait for assistance.
- B. One person should stay with the disabled individuals while another person reports to the University Police.
- C. Hearing-impaired and visually impaired persons need only one person assigned to assist them

during an evacuation. They must be notified of fire alarms and guided to safe escapes routes.

- D. If needed, after the other employees and students have been evacuated, disabled employees and students may be assisted to the stairwell landings to wait for emergency personnel. All doors to

the stairwell must be kept closed to reduce the buildup of smoke.

Security Considerations in Maintenance of Campus Facilities

Facilities, Maintenance, and Construction maintains all buildings, grounds, and utility systems, including custodial and regular maintenance services throughout

the University of Houston-Clear Lake. Students, faculty, and staff are encouraged to report maintenance problems such as missing or burnt out lights, doors and other accessways that do not secure properly, and out of service elevators.

Facilities, Maintenance, and Construction can be reached during normal business hours at

281.283.2250. After normal business hours, please report any such safety issues or concerns to UHCL-PD at 281.283.2222.

Residence hall staff make regular rounds of their assigned residence hall to check for maintenance problems and other potential safety hazards.

Missing Student Notification

If a member of the university community has reason to believe that a student who resides in on-campus residential housing has been missing, he or she should immediately notify UHCL-PD at 281.283.2222 or 911 from a campus phone. Upon such a report, UHCL-PD will investigate the claim. If the individual is unable to be located, UHCL-PD personnel will coordinate to notify the student's emergency contact of record no later than 24 hours after a determination that the student is missing. In addition, UHCL-PD will ensure local law enforcement agencies with jurisdiction are notified unless that agency originated the missing student report.

If the missing student is under the age of 18 and is not an emancipated minor, UHCL-PD will also coordinate

to notify the individual's parent or legal guardian no later than 24 hours after a determination that the student is missing.

In addition to registering an emergency contact, on-campus student residents have the option to identify, confidentially, a point of contact that can be contacted in the event the student is determined to have been missing for more than 24 hours. UHCL-PD will coordinate contacting the confidential contact no later than 24 hours after a determination that the student is missing. Students interested in creating a confidential point of contact will coordinate registration with Student Housing and Residential Life. The confidential contact's information will only be accessible to authorized campus officials and law enforcement personnel.

Drug And Alcohol Policies

Alcohol Policy

As an institution interested in the intellectual, physical, and psychological well-being of the campus community, the University of Houston-Clear Lake deems it important to curtail the abusive or illegal use of alcoholic beverages. All members of the University of Houston-Clear Lake community and guests are required to comply with federal, state, and local laws regarding the distribution, possession, and consumption of alcoholic beverages. The University is committed to enforcing all federal, state, and local laws regarding purchases, consumption, or possession of alcohol, including enforcement of all underage drinking laws.

The University of Houston-Clear Lake's complete alcohol policies and procedures can be accessed and reviewed at <https://www.uhcl.edu/policies/documents/administration/drug-alcohol-abuse-prevention-policy.pdf>.

Drug Policy

The University of Houston-Clear Lake prohibits the unlawful possession, use, sale, manufacture, or distribution of illicit drugs and alcohol in the workplace, on the campus, or at any University activities off-campus. Penalties for violations of the University's policy may include disciplinary action, termination of employment and referral for criminal prosecution.

Sexual Misconduct

The University of Houston-Clear Lake is committed to maintaining a strengthening an educational, working and living environment where students, faculty, staff, and visitors are free from sex discrimination of any kind. Sexual misconduct, a form of sex discrimination, is antithetical to the standards and ideals of the University. The University will take appropriate actions to eliminate sexual misconduct from occurring, prevent its recurrence, and address its effects.

Prevention and Awareness

The University aims to eradicate sexual misconduct through education, training, policies, and serious consequences for violations of its policies. The University will conduct educational programs, including ongoing prevention and awareness campaigns, designed to promote awareness and prevent sexual misconduct.

Primary and continuing prevent and awareness programs include:

- New Employee Sexual Misconduct Orientation.
- New Student Sexual Misconduct Orientation.
- Sexual Assault Prevention Month, Spring each year.
- Title IX and Title VI Professional Development Presentation.

Safe and Positive Options for Bystander Intervention

One method for preventing sexual assault is bystander intervention. Research shows when individuals undergo training and feel empowered, they are more likely to intervene in stopping potential crimes. There are many situations that occur prior to sexual misconduct that are appropriate and safe for intervention. Bystander intervention training teaches people to recognize those situations as inappropriate, assume responsibility, identify options for intervention, overcome barriers to intervening (including cultural or social structures that promote violence), and take action.

Ways to Intervene:

Direct

- Staying with someone who may be in trouble

- Letting a friend know that their behavior could hurt someone else and help them reconsider
- Telling someone their language is problematic or offensive

Delegate

- Getting help from a Resident Advisor or Desk Assistant in Student Housing
- Asking the party host if they'll tell someone to leave
- Grabbing a friend and intervening together

Distract

- Suggesting a way out for a person in a potentially dangerous situation (ex. "Want to go grab dinner somewhere else?")
- Spilling a drink
- Telling the person engaging in abusive behavior that they're needed in another room

Information on Risk Reduction

The University of Houston System engages in risk reduction strategies that emphasize the collective responsibility of the UHS community to reduce the risk of sexual misconduct. As part of that effort, all new students and employees within the University of Houston System attend prevention and education programs about sexual misconduct. Students receive an in-person training during orientation as well as a second online training program. These programs incorporate risk reduction strategies and bystander intervention training that enable community members to take a role in preventing and interrupting incidents of sexual misconduct. The programs also provide resources, including information on the UHS Sexual Misconduct Policy, how to report, and confidential resources.

Situational awareness and trusting one's instincts can potentially reduce one's risk of being subjected to sexual misconduct. UH is dedicated to helping the community know that while risk reduction is encouraged, victims/survivors of sexual misconduct are not at fault if they do not employ such techniques. Risk reduction strategies include, but are not limited to, the following:

- If you consume alcohol, consider doing so in moderation.
- Avoid leaving your beverage unattended or accepting a drink from an open container.
- When you are with someone, communicate clearly to ensure they know your limits (both verbal and nonverbal body language communication can be used to ensure the message is understood).
- If you go out alone on a date with someone, including someone that you do not know very well, tell a close friend or family member what your plans are.
- Know that you have the right to say “no” or change your mind about engaging in sexual activity with a partner(s), even if you initially said “yes.” You can revoke consent at any time, even if you have engaged in sexual activity with this partner(s) before.
- Always have someone you can call if you need help and have alternative transportation plans.
- If you feel uncomfortable, scared, or pressured, communicate that by saying “stop,” leaving, or calling for help.
- Consider going to parties or other outings with a group of friends; you can arrive together, watch out for each other, and make sure everyone leaves together.
- Be aware of your surroundings at all times.
- Avoid being isolated with a person you do not know or trust.
- When possible, travel with a friend or in a group.
- When possible, walk only in lighted areas after dark.
- Keep the doors to homes and cars locked.
- Know where a phone is located. If relying on a mobile phone, be sure to carry a charging device with you.
- If you see someone in need, intervene if possible. If not, call 911.
- Listen and respect the wishes of your partner. If you are unclear if you have consent, assume you do not and clarify with your partner.
- If someone says no, do not interpret that as a need for further persuasion or convincing.
- Be aware that you cannot obtain consent from someone who is mental or physically incapable. This

can include someone who is rendered temporarily incapacitated by drugs or alcohol.

- Resist pressure from friends to participate in violence.

Sexual Misconduct Policy Information

On August 13, 2020, the University of Houston System published an update to the Sexual Misconduct Policy which meets the requirements of the Department of Education Title IX Final Rule. The following excerpts from the Policy will assist the reader in understanding basic rights, responsibilities, rules, and procedures under the Policy. The entire UHS Sexual Misconduct Policy is an Enclosure to this report. See Enclosure 2.

The Sexual Misconduct Policy provides the exclusive mechanism for the University of Houston System and its universities to manage the non-criminal reporting of Sexual Misconduct, as defined in the Policy, by providing a prompt, fair, and impartial investigation and resolution process.

Consistent with its commitment to addressing Sexual Misconduct, the University prohibits the crimes of dating violence, domestic violence, sexual assault, and stalking as defined by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.

The University is committed to maintaining and strengthening an educational, working and living environment where students, faculty, staff, visitors, and applicants for admission or employment are free from sex discrimination of any kind. Sexual Misconduct, a form of sex discrimination, is antithetical to the standards and ideals of the University. The University will take appropriate action in an effort to eliminate Sexual Misconduct from occurring, prevent its recurrence, and address its effects by conducting educational programs, including ongoing prevention and awareness campaigns, designed to promote awareness, reduce risk, and prevent Sexual Misconduct.

Consent as Defined under the Sexual Misconduct Policy

An informed and freely and affirmatively communicated willingness to participate in a particular sexual activity by a capacitated and legally competent person.

Consent can be expressed either by words or by clear and unambiguous actions, as long as those words or actions create mutually understandable permission regarding the conditions of each instance of sexual activity.

It is the responsibility of the person who wants to initiate a sexual activity to ensure that they have the consent of the other(s) to initiate each instance of sexual activity before they initiate the sexual activity.

Consent is active, not passive, and cannot be inferred from the absence of a “no.” Without words or actions demonstrating permission, silence, lack of protest, or lack of resistance cannot be assumed to show Consent.

The existence of a dating relationship or a previous sexual relationship between the persons involved does not provide the basis for an assumption of consent to future sexual activity.

Being under the influence of drugs and/or alcohol is never a defense for not obtaining consent.

A person cannot consent if physical force or violence is used or threatened.

Sexual Misconduct can occur between strangers or acquaintances.

Alcohol or other drugs can lower inhibitions and create an atmosphere of confusion over whether consent is freely and effectively given. Consent is difficult to discern when a person has ingested alcohol and/or other drugs. Anyone wanting to initiate sexual activity is strongly encouraged to err on the side of caution when either they or the person(s) they want to initiate the activity with appear(s) to be intoxicated or there is reasonable cause to believe any individual is intoxicated.

Incapacitation under the Sexual Misconduct Policy

A person is incapacitated (not legally competent) and cannot consent to sexual activity if the person is unconscious or otherwise unable to resist, is unaware that sexual activity is occurring, and/or does not have the legal capacity to consent.

A person may be unable to consent when they are mentally or physically incapacitated because of the influence of drugs, alcohol, or medication and as a result are rendered temporarily incapable

of understanding, appraising, or controlling their conduct.

A person’s incapacity to understand, appraise, or control their conduct may be analyzed based on surrounding factors including, but not limited to, hallucinations, blackouts, seizures, vomiting, slurred speech, disorientation, or lack of physical or mental coordination.

When a Respondent has been accused of engaging in sexual activity with an incapacitated person, the perspective of a reasonable person will be applied to determine whether the Respondent knew or should have known about the Complainant’s inability to give consent.

Medical Assistance

An individual who experiences any form of Sexual Misconduct is encouraged to seek immediate medical care. Preserving DNA evidence can be key to identifying the perpetrator in a sexual violence case. Victims can undergo a medical exam to preserve physical evidence with or without police involvement. If possible, this should be done immediately. If an immediate medical exam is not possible, individuals who have experienced a sexual assault may have a Sexual Assault Forensic Exam (SAFE) performed by a Sexual Assault Nurse Examiner (SANE) within 120 hours of the incident. With the examinee’s consent, the physical evidence collected during this medical exam can be used in a criminal investigation; however, a person may undergo a SAFE even without contacting, or intending to contact, the police. To undergo a SAFE, please go to the nearest hospital that provides SAFE services. For more information about the SAFE, see the University of Houston System’s webpage dedicated to resources and reporting information related to sexual misconduct.

The cost of the forensic portion of the exam is covered by the law enforcement agency that is investigating the assault or, in cases in which a report will not be made to the police, the Office of the Attorney General. This does not include fees related to medical treatment that are not a part of the SAFE. An individual who experiences any form of sexual, domestic, or dating violence is encouraged to seek immediate medical care because they may be prescribed medications to prevent sexually transmitted infections and/or pregnancy

even if the police are not contacted or if a SAFE is not performed.

For more information about the SAFE, see [https://uhsystem.edu/crossroads/..](https://uhsystem.edu/crossroads/)

Police Assistance

The University strongly encourages victims of dating violence, domestic violence, sexual assault or stalking to immediately seek police assistance.

Because the prohibited actions outlined in the Sexual Misconduct Policy may also constitute a criminal act(s), individuals seeking emergency assistance or who want to file a criminal report may contact their University police department or the appropriate local law enforcement agency. In addition to any possible criminal action, the University Police will forward notice of the report to the Title IX Coordinator. Reporting to the police helps maintain future options regarding criminal prosecution. Generally, when the victim reports the incident, a police officer will take a statement from the victim regarding what happened. An adult victim can request that their identity be kept confidential. Anyone wishing to file a report with University police can make a report to their University's Police Department as noted below.

In cases of sexual assault, preservation of evidence is crucial. It is highly recommended that victims/survivors follow these guidelines immediately after the assault, even if they are not yet certain they wish to file criminal charges.

- Do not bathe or shower.
- Do not wash clothing worn or linens used.
- Do not disturb the scene of the assault by cleaning up or throwing items away.
- Gently place clothing and linens touched by the victim or suspect(s) during the assault in a cardboard box or paper bag – DO NOT use plastic bags of any kind, as these will damage DNA evidence. Package each item separately if at all possible.
- Do not delete or erase any phone, text, or social media messages sent to you by the suspect, no matter if sent before or after the assault.
- DO get a forensic medical exam within 120 hours of the assault—you have the right to this exam WITHOUT notification of law enforcement, and free of charge (forensic portion only – medical

treatment such as birth control, disease prevention, etc. is the responsibility of the survivor but may later be reimbursed by the state Crime Victims Compensation fund).

Options for the Involvement of Law Enforcement and Campus Authorities

Complainants have the option to notify proper law enforcement authorities including on campus and local police; to be assisted by campus authorities in notifying law enforcement authorities; and the option to decline to notify such authorities.

Orders of Protection

The University of Houston-Clear Lake will honor any order of protection, no-contact order, restraining

order, or similar lawful order issued by any criminal, civil or tribal court.

Confidentiality

The University of Houston-Clear Lake will protect the anonymity of all individuals involved in a report or a complaint by refusing to disclose their identifying information to anyone outside the University of Houston-Clear Lake to the maximum extent permitted by law.

The University of Houston-Clear Lake will protect the confidentiality of Complainants and other necessary parties while ensuring Clery Act statistical reporting requirements, specifically, such statistical reporting will be done without inclusion of personally identifying information about a complainant.

The University of Houston-Clear Lake will maintain as confidential any supportive measures provided to the Complainant or Respondent, to the extent that maintaining such confidentiality would not impair the ability of the University to provide the supportive measures.

Assistance to Complainants

Counseling Assistance: A person who has experienced sexual violence is strongly encouraged to seek medical and psychological care even if they do not plan to request a Sexual Assault Forensic Exam (SAFE) or report the assault to the police.

Complainants will be provided written notification about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other services available both within the University and in the community.

Once an individual alerts the University of an alleged violation of the Sexual Misconduct Policy, the Complainant will be provided with written information including the Sexual Misconduct Policy, their rights, reporting options, and support resources regardless of whether the incident(s) occurred on or off campus.

Supportive Measures

Once the Title IX Coordinator receives a report of an alleged act of Sexual Misconduct, the Title IX Coordinator will promptly contact the Complainant and Respondent in writing to discuss the availability

of Supportive Measures, consider the Complainant's and Respondent's wishes with respect to Supportive Measures, inform the Complainant of the availability of Supportive Measures with or without filing a Formal Complaint, and explain to the Complainant the process for filing a Formal Complaint.

The University's Supportive Measures are designed to restore or preserve equal access to the University's Education Program or Activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the University's educational, living, and working environment, or to deter Sexual Misconduct.

Supportive Measures may include, but are not limited to:

- Counseling for a Complainant or Respondent through a University-affiliated counseling center while the processes outlined in this Policy are ongoing;
- Extensions of deadlines or other course-related adjustments;
- Modifications of work or class schedules;
- Campus escort and transportation services;
- Mutual restrictions on contact between the parties;
- Changes in work or housing locations;
- Leaves of absence; or
- Increased security and monitoring of certain areas of the campus.

Emergency Removal and Leave During Investigation

Once the Title IX Coordinator receives a report of an alleged act of Sexual Misconduct, the Title IX Coordinator will undertake an individualized safety and risk analysis to determine whether an immediate threat to the physical health or safety of any student, employee, or other individual arising from the allegations of Sexual Misconduct justifies emergency removal or Leave During Agency Investigation pending further investigation. At the conclusion of the safety and risk analysis, the Title IX Coordinator will make a recommendation for removal to the appropriate office. The appropriate office will provide the Respondent with notice and an opportunity

to challenge the decision immediately following their removal.

Procedures for Institutional Disciplinary Action of Sexual Misconduct

When a report of a violation of the University of Houston System’s Sexual Misconduct Policy is received, the Equal Opportunity Service Office will take reasonable measures to contact the Complainant and Respondent to notify them of their rights and options under the policy, implement any appropriate supportive measures, and conduct a preliminary investigation, as appropriate.

Anyone who reports Sexual Misconduct will be notified of their right to speak to the appropriate law enforcement agency and file a report for possible criminal prosecution.

The complaint and investigation process is separate from any criminal proceeding related to the reported behavior and may occur while criminal proceedings are ongoing. Proceedings under the Sexual Misconduct Policy will not be dismissed or delayed because criminal prosecution is pending, criminal charges have been dismissed, or the criminal charges have been reduced.

Formal Complaint and Investigation Procedures

If a Complainant wishes to pursue official University action against a Respondent for alleged Sexual Misconduct, they may follow the steps described below to file a Formal Complaint, which will initiate an investigation. At the end of the investigation, the Title IX Coordinator will make a determination on which grievance process is appropriate based on jurisdictional requirements.

This graphic explains the formal complaint progress. A Complainant files a formal complaint, the Respondent(s) have an opportunity to provide a written or verbal Response, the Title IX office performs an investigation, and the Title IX office will inform the parties of which grievance process will apply based on jurisdictional requirements.

Step 1: Filing a Formal Complaint

A Complainant may file a Formal Complaint alleging Sexual Misconduct with the Title IX Coordinator in person, by mail, by electronic mail, or by the University’s electronic reporting system.

The University does not limit the timeframe for filing a report or Formal Complaint of Sexual Misconduct, although the University’s ability to take any action may be limited because of the passage of time.

Even in the absence of a Formal Complaint, some circumstances may require the Title IX Coordinator to initiate a Formal Complaint in order to protect the University community.

Once a Formal Complaint is filed, if the Complainant decides that they want to withdraw the Formal Complaint, the University’s investigation may still proceed.

The University may consolidate Formal Complaints as to the allegations of Sexual Misconduct against more than one Respondent, or by more than one Complainant against one or more Respondents, where the allegations of Sexual Misconduct arise out of the same facts or circumstances.

Step 2: Written Notice to the Parties

After receipt of a Formal Complaint, the Title IX Coordinator will provide written notice to the parties within five (5) business days, which will include, but is not limited to:

- Notice of the University's Title IX Grievance Procedure, if applicable, including information about the Informal Resolution process;
- Notice of the allegations that may constitute Sexual Misconduct;
- Sufficient details, including the identities of the parties involved in the incident, the conduct allegedly constituting Sexual Misconduct, and the date and location of the alleged incident, if known;
- A statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
- Notice that the parties may have a Personal Advisor of their choice who may be, but is not required to be, an attorney;
- Notice that the parties may inspect and review evidence, in accordance with applicable policies; and
- Notice of any provision of the University's code of conduct or other policy that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

Step 3: Response to a Formal Complaint

A Respondent's response to a Formal Complaint is due to the Title IX office within five (5) business days from the date the Title IX office sent it to the Respondent. The Title IX office may grant an extension for good cause.

The response should address and respond to the specific allegations made in the Formal Complaint and can include any other rebuttal information or evidence.

A response may be provided in writing or through an in-person interview with the investigator(s).

While a Respondent is not required to provide a response to the Formal Complaint or answer questions related to the investigation, this will not stop the Formal Complaint process. Failure to acknowledge receipt of the Formal Complaint may

be considered a violation of University policy and could result in additional action.

Step 4: Informal Resolution (Optional)

If a Formal Complaint alleges a violation of this Policy, the Title IX Coordinator may choose to offer the parties an informal process that resolves the Formal Complaint without completing the grievance process. The option to informally resolve a Formal Complaint depends on whether the University determines that informal resolution may be appropriate and whether both parties voluntarily agree to attempt informal resolution.

Informal resolution may not be used to resolve Sexual Misconduct allegations where a University employee is alleged to have engaged in Sexual Misconduct against a student. Under certain circumstances, a student may be considered an employee.

Step 5: Investigation

Absent extenuating circumstances, a Sexual Misconduct investigation will begin upon receipt of a Formal Complaint of alleged Sexual Misconduct. A preliminary investigation may begin prior to receiving a response from a Respondent.

Both Complainant and Respondent will be provided equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a Formal Complaint, including the evidence upon which the University does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source.

Step 6A: Title IX Sexual Misconduct Grievance Procedure

Upon completion of the investigation report by a Title IX investigator and a determination that the alleged Sexual Misconduct is considered Title IX Sexual Misconduct, the University will hold a hearing during which both parties' Hearing Advisors will have the opportunity to present relevant evidence and ask questions of the parties and witnesses.

Absent extenuating circumstances, the Title IX Coordinator will schedule a hearing within fifteen (15) business days from the conclusion of the investigation.

No later than five (5) business days prior to the hearing, all materials that will be used at the hearing must be submitted to the Title IX Coordinator.

Standard of Evidence – In all cases before a Hearing Officer, the standard of proof is a preponderance of evidence. A finding of responsibility by a preponderance of the evidence means that it is more likely than not, based on all the reasonable evidence presented, that the Respondent violated this Policy. The burden of proof is on the University. By law, it is presumed that the Respondent is not responsible for the alleged conduct unless a determination regarding responsibility is made at the conclusion of the grievance process.

Written Determination – The Hearing Officer will provide a Written Determination of responsibility and sanction(s), if applicable, simultaneously to the Title IX Coordinator and the parties.

Sanctions – The sanctions for a finding of a violation of the Sexual Misconduct Policy will be commensurate with the offense and may include, but are not limited to, the following:

- Probation (including disciplinary probation)
- Temporary or permanent ban from campus locations (such as residence hall communities)
- Educational programs such as state-certified batterer’s intervention
- Ban from participating in campus organizations or activities
- Disqualification from employment or student leadership positions
- Withholding of transcripts, grades, diploma, or degree
- Partial or full criminal trespass warning
- Suspension from employment and/or enrollment
- Revocation of admission
- Termination of employment
- Expulsion

If a student is issued a sanction that makes them ineligible to reenroll in the University, the University will include on the student’s transcript a notation stating that the student is ineligible to reenroll in the University for a reason other than an academic or financial reason.

On the student’s request, the University may remove the notation from a student’s transcript if the student is eligible to reenroll in the University or the University determines that good cause exists to remove the notation.

In accordance with Texas law, the University must terminate an employee who is found to have knowingly failed to make a report of Sexual Misconduct when the Responsible Employee was required to do so or knowingly made a false report of Sexual Misconduct with intent to harm or deceive. Knowingly failing to make a report and knowingly making a false report are criminal offenses under Texas law.

Remedies – Regardless of the finding(s), and in addition to sanctions that may be imposed pursuant to the appropriate disciplinary policy, the University will take appropriate action(s) to resolve Formal Complaints of Sexual Misconduct, prevent any recurrence and, as appropriate, remedy any effects. These actions may include, but are not limited to the following:

- Ensuring the Complainant and Respondent do not share classes, working environments, or extracurricular activities;
- Making modifications to the on-campus living arrangements of a Respondent or Complainant (if the Complainant requests to be moved);
- Providing comprehensive services including medical, counseling, and academic support services such as tutoring;
- Determining whether the Sexual Misconduct adversely affected the Complainant’s University standing and providing a remedy for same;
- In conjunction with University leaders, conducting a University climate check to assess the effectiveness of efforts to ensure that the University is free from Sexual Misconduct, and using that information to inform future proactive steps that the University will take; and
- Providing targeted group training.

These remedies are separate from, and in addition to, any Supportive Measures that may have been provided before the end of the University’s investigation. If the Complainant did not take advantage of a specific service (e.g., counseling) when offered as a Supportive Measure, the Complainant should still

be offered, and is still entitled to, appropriate final remedies that may include services the Complainant declined as a Supportive Measure.

Appeals – The Complainant and the Respondent(s) both have the right to appeal to the appropriate administrator a Title IX dismissal or Written Determination by submitting their written appeal to the Title IX Coordinator within five (5) business days from the date they receive the Title IX dismissal or Written Determination. The appealing party may appeal the dismissal, finding, sanction, or remedy. The non-appealing party will be notified of the appeal and be permitted to submit a written statement in response within five (5) business days of receiving notice of the appeal.

Final Determination – A Written Determination will become final upon the earlier of when:

- The parties are notified of the appropriate administrator's decision on the appeal; or
- The time to file an appeal has passed with neither party appealing.

Step 6B: UH System Sexual Misconduct Grievance Procedure

At the conclusion of an investigation of a Formal Complaint and a determination that the alleged Sexual Misconduct is considered UH System Sexual Misconduct, as defined in this Policy, the investigative report will contain the Title IX investigator's finding(s) and recommendation. The Complainant and Respondent(s) will have the opportunity, but are not required, to respond to the investigative report in writing in advance of the Title IX investigator's finding. The Complainant and Respondent(s) should be provided updates on the progress of the investigation and issuance of the report.

The finding(s) will be determined using a preponderance of the evidence standard; that is, whether it is more likely than not that a Respondent violated this Policy.

If it is determined that this Policy was violated, appropriate university action will be recommended in an effort to eliminate Sexual Misconduct, prevent its recurrence, and address its effects.

The Complainant and the Respondent(s) will be simultaneously notified in writing of the finding(s) and appeal rights under this Policy.

A hearing request to challenge the Title IX investigator's finding(s) must be submitted in writing to the Title IX Coordinator within five (5) business days of receiving the finding(s).

The Complainant and the Respondent(s) both have the right to request a hearing to challenge a finding for any error or procedural defect occurring during the investigation that could have significantly impacted the finding. The individual requesting a hearing will be referred to as the moving party.

Absent extenuating circumstances, the Title IX Coordinator will schedule a hearing to be held within fifteen (15) business days from the filing of the request.

No later than five (5) business days prior to the hearing, all materials that will be used at the hearing must be submitted to the Title IX Coordinator, who will forward the materials to the Hearing Panel/ Non-affiliated Hearing Officer and will simultaneously make available for inspection or provide the materials to both parties.

At any time after a finding has been made that a Respondent has violated the Policy, the University may implement an interim sanction against the Respondent while the Formal Complaint is being further adjudicated.

Sanctions – The sanctions for committing an act of UH System Sexual Misconduct will be commensurate with the offense and may include, but are not limited to, the following:

- Probation (including disciplinary probation)
- Temporary or permanent ban from campus locations (such as residence hall communities)
- Educational programs such as state-certified batterer's intervention
- Ban from participating in campus organizations or activities
- Disqualification from employment or student leadership positions
- Withholding of transcripts, grades, diploma, or degree
- Partial or full criminal trespass warning
- Suspension from employment and/or enrollment
- Revocation of admission

- **Termination of employment:** For faculty members, the recommendation for termination of employment and/or revocation of tenure will be referred to the Provost's Office for handling in accordance with the policies and procedures pertaining to the dismissal of faculty members.

- **Expulsion**

If a student is issued a sanction that makes them ineligible to reenroll in the University, the University will include on the student's transcript a notation stating that the student is ineligible to reenroll in the University for a reason other than an academic or financial reason.

On the student's request, the University may remove the notation if the student is eligible to reenroll in the University or the University determines that good cause exists to remove the notation.

In accordance with Texas law, the University must terminate an employee who is found to have knowingly failed to make a report of Sexual Misconduct when the Responsible Employee was required to do so or knowingly made a false report of Sexual Misconduct with intent to harm or deceive.

Knowingly failing to make a report and knowingly making a false report are criminal offenses under Texas law.

Appeals – Any appeal must be filed in writing within five (5) business days of the Hearing Panel/ Non-affiliated Hearing Officer's decision. If no appeal is filed by the deadline, the Hearing Panel/ Non-affiliated Hearing Officer's recommendation(s) become final.

Final Determination – If the appropriate administrator accepts or rejects the Hearing Panel/ Nonaffiliated Hearing Officer's recommendation(s), the decision becomes final.

Retaliation Prohibited

The University takes reports of Sexual Misconduct very seriously and will not tolerate retaliation against those who in good faith make such reports or participate in the investigation or adjudication process.

No person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any rights or privilege secured in this Policy or because the individual has made a report or

Formal Complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this Policy.

Any person who believes that they have been subjected to retaliation should immediately report this concern to the Title IX Coordinator.

If an individual makes a materially false statement in bad faith during the course of a grievance procedure under this policy, this conduct may constitute a violation through a separate University policy. A finding through a separate policy does not constitute retaliation prohibited in this section. However, a determination of responsibility under the Sexual Misconduct, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Immunity

To encourage reporting, the University will not take any disciplinary action against a student enrolled at the University who in good faith reports being the victim of, or a witness to, an incident of Sexual Misconduct for a violation under the University's Student Code of Conduct for conduct by the student occurring at or near the time of the incident, regardless of the location at which the incident occurred or the outcome of the University's disciplinary process regarding the incident, if any. The University may investigate to determine whether a report of an incident of Sexual Misconduct was made in good faith. A determination that a student is entitled to amnesty is final and may not be revoked.

A person employed by or enrolled at the University acting in good faith who reports or assists in the investigation of a report of an incident of alleged Sexual Misconduct, or who testifies or otherwise participates in the Formal Complaint process, will not be subjected to any disciplinary action by the University for any violation by the person of the University's code of conduct reasonably related to the incident for which suspension or expulsion from the institution is not a possible punishment. Decisions regarding immunity are made by the Title IX Coordinator in conjunction with the appropriate sanctioning body.

Immunity, as described in this section, does not apply to individuals who participate or assist in the reported alleged incident.

Training of Investigators and Hearing Board Members

Investigators – Investigators will receive training at least annually on issues related to Sexual Misconduct and how to conduct the processes outlined in this Policy while being both trauma-informed and impartial, while protecting the safety of those involved and promoting accountability.

University Hearing Board and Hearing Officers – Members of the University’s Hearing Board and Hearing Officers will receive training at least annually

on issues related to Sexual Misconduct. These individuals will also receive training regarding the role of the Title IX office to enforce this Policy, best practices for hearings and hearing panelists, and their role in ensuring and promoting safety, due process, and accountability.

Informal Resolution Training – The University will provide training for Title IX Coordinators, investigators, Hearing Officers, and any person designated by the University to facilitate an informal resolution process as required by Title IX.

Sources of Clery Crime Definitions – Definitions of reportable Clery Crimes come from a variety of sources, and do not always align perfectly with local or state laws. Specifically, the FBI Uniform Summary Reporting System (SRS) User Manual is used to define Murder; Manslaughter by Negligence; Rape; Robbery; Aggravated Assault; Burglary; Motor Vehicle Theft; Arson; Weapons Violations; Drug Abuse Violations; and Liquor Law Violations. The FBI Uniform Crime Reporting (UCR) National Incident-Based Reporting System (NIBRS) Data Collection Guidelines define Fondling; Incest; and Statutory Rape. The FBI UCR Hate Crime Data Collection Guidelines and Training Manual define Hates Crimes, including the following crimes motivated in whole or in part of Hate Crime Bias, Larceny-Theft, Simple Assault, Intimidation, Destruction/Damage/Vandalism or Property. The Clery Act at 34 CFR §668.46(a) defines Dating Violence, Domestic Violence, and Stalking for the purposes of Clery Act reporting.

All reported Clery Act crimes, whether completed or attempted are counted in the statistics reported below.

Unfounded Reported Clery Act Crimes

Certain reported Clery Act crimes that have been fully investigated by sworn law enforcement personnel and have been found to be false or baseless will be reclassified as unfounded for statistical reporting purposes. Unfounded crimes will be withheld from crime statistics, with only the total number of unfounded crimes noted for each calendar year.

Annual Fire Safety Report

Fire Marshal Introduction

The UHCL Fire Marshal works in conjunction with State and local Fire Marshal Offices to ensure the university complies with the National Fire Protection Association's Life safety Code and Universal Fire Code. The University of Houston-Clear Lake Fire Marshal's Office does this through a robust program of construction plan reviews, building inspections, fire investigations, safety permits, fire extinguisher maintenance, and community outreach.

A handwritten signature in black ink that reads 'Al Black'.

Al Black
Director, Environmental, Health, and Safety/Fire Marshall

How to Report a Fire

For any open flame, smoke, or signs of fire, immediately call 281.283.2222 or 911 (from any campus phone).

Notifying University Officials of a Past Fire

To report a previous fire or signs of fire damage on any of the University of Houston-Clear Lake campuses, please contact 281.283.2222.

Fire and Life Safety

Fire and Life Safety involves everyone in every area of the university and refers to the prevention of fire, accidents, injury, and property damage. Through inspections, fire safety equipment is checked and maintained; food safety standards are adhered to; and safety concerns such as frayed electrical cords, trip hazards, broken or inappropriate equipment and fire hazards are identified and removed. Through design and plan review, architects and engineers are assisted in ensuring that fire and life safety measures are built into areas under construction. Through emergency management, assistance is available to develop specific evacuation plans. Through training, classes are available for evacuation planning, fire and life safety, fire extinguishers, and food safety.

Definitions

For the purposes of this report, a fire is defined as any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner.

Fire Safety Systems and Drills in On-Campus Residential Housing Units

Fire evacuation drills are conducted in the residential halls at least once every semester. All fire safety systems are inspected annually per National Fire Protection Association code.

Portable Electrical Appliances, Smoking and Open Flames in Residential Housing Facilities

Space Heaters – Space heaters are not allowed on campus by order of the University of Houston-Clear

Lake Fire Marshal. The risk of space heaters is high. The risk of a space heater fire is compounded by the use of space heaters that do not have the required built-in safety features, the use of extension cords, and the overloading of circuits and tripped breakers due to the high amperage necessary to start-up the devices.

Medical exceptions to the space heater prohibition will be granted on a case-by-case basis with a letter from a treating physician.

Safe alternatives to space heaters include electric blankets and heating pads. Questions regarding this policy should be directed to the UHCL Fire Marshal at 281.283.2106 or ehs@uhcl.edu.

Prohibited Electrical Appliances – Open coil heating or cooking devices, including toaster ovens, hot plates, extension cords, multi-plug adaptors, string lights (such as Christmas lights) unless battery operated, and hoverboards.

Cooking Devices – Portable cooking appliances are only permitted in designated kitchen areas.

Smoking and Open Flames – Open flames in residence halls, such as candles, incense, and fireworks are prohibited. The University of Houston-Clear Lake is a tobacco-free campus, this includes use of electronic cigarettes and vape pens.

Evacuation Procedures in Residential Housing in Event of Fire

The key to a successful evacuation is planning. Each resident must familiarize themselves with their respective residence hall's evacuation plan.

Each residence hall's evacuation plan is posted on each floor of the following residence halls: Hunter Hall; University Forest Apartments.

Residents should also consider the following:

- Know at least two exits other than the elevators;
- Know UHCL emergency numbers 281.283.2222 or 911 (from any campus phone);
- Participate in all fire drills and take them seriously;
- Know your meeting place outside;
- Remain outside the building until allowed back in by UHCL-PD officers;
- Stop whatever you are doing in the event of a fire alarm, smoke, or open flame;
- Grab your personal possessions quickly;

- Do not take time to gather more things than you can quickly find;
- DO NOT WAIT! Walk to the nearest exit;
- If your nearest exit is blocked, move immediately to another exit;
- If you need assistance with evacuation, please notify your Residence Life Coordinator. If a Fire Alarm sounds, everyone is required to evacuate the building.

Policies for Fire Safety Education and Training Programs provided to Students and Employees

Environmental, Health and Safety offers education and training to students and employees in fire extinguisher use, fire and life safety tips and residential hall fire safety and exit strategy. Training can be scheduled by contacting the University of Houston-Clear Lake Fire

Marshal's Office or Environmental, Health and Safety at 281.283.2106 or ehs@uhcl.edu.

Plans for Future Improvements in Fire Safety

Most residential facilities have complete and modern fire alarm systems that communicate with the University of Houston-Clear Lake Police Department autonomously in the event of a triggered fire alarm. All units have local smoke detection devices installed to alert occupants of smoke in the building. All residential facilities meet current fire and life safety codes – there are currently no additional improvements to the fire and life safety systems planned.

Fire Log Information

The University of Houston-Clear Lake Fire Marshal maintains a daily fire incident log, available 8 a.m.-5 p.m. Monday through Friday, 2700 Bay Area Boulevard North Office Annex I, Room #107, Houston, TX 77058

Enclosure 1: Clery Incident Report Form

<h2 style="margin: 0;">CLERY INCIDENT REPORT FORM</h2> <p style="margin: 0; font-size: small;">FOR NON-POLICE CAMPUS SECURITY AUTHORITIES UNIVERSITY OF HOUSTON SYSTEM</p>																	
<p>The purpose of CLERY is to encourage reporting and the accurate collection of campus crime statistics to promote crime awareness and to enhance campus safety through reliable statistical records. The purpose of this report form is to provide a uniform procedure for documenting the (What, When, Where) of certain reportable crimes and/or non-criminal hate motivated incidents that have occurred within one of the four reporting locations and which have been reported to a Campus Security Authority (CSA) other than the University Police Department. Data collected on this form is to be used to increase public safety, not to identify the victim; therefore, no personal identifying information shall be included on this form. All cooperating victims who do not wish to remain anonymous should be directed to their respective University Police Department or the law enforcement agency having jurisdiction where the crime occurred.</p> <p>It is the policy of the University of Houston System to encourage victims and/or witnesses to crime(s) to report such crimes to the police and/or to a designated Campus Security Authority - someone who has significant responsibility for student and campus activities. For the purposes of CLERY, CSA's are required to document certain reportable crimes and non-criminal hate motivated incidents which have been reported to them and which have occurred in the following locations:</p> <ol style="list-style-type: none"> 1) On-campus property: Any building or property owned or controlled by the University which is within the same reasonably contiguous geographic area and used by the University in direct support of, or in a manner related to, the University's educational purpose, including those buildings or property described herein that is owned by the University but controlled by another person and which is frequently used by students. 2) On-campus residential life buildings – The interior area of any building owned, leased, and/or controlled by the university, that houses students of the university. 3) Non-campus property: Non-campus property or building owned or controlled by the University that is frequently used by students and is not within the same reasonably contiguous geographic area of the institution, or any building/property that is owned or controlled by a student organization that is officially recognized by the institution, such as academic, religious or fraternal student organizations. 4) Public property: Public property located immediately adjacent to and accessible from campus, including: thoroughfares, sidewalks, streets, lands, parks and bayous. <p>For CLERY purposes, the student status (yes/no) of the offender or the victim is not a relevant fact as to whether or not this report form is to be completed. If a violation of one of the below listed offenses occurs, documentation is required. CLERY documentation is not satisfied by simply directing/referring the reporting party to the police department. In order for the University to satisfy the statistical reporting requirements of the Clery Act, all CSA's are required to complete this form when certain any of the specified offenses list below are reported to them. Nonetheless, a person reporting a crime shall also be encouraged to report the crime to the University of Houston Police.</p>

Sex Offenses: Sex offenses are of special concern to the campus community because they have been historically under reported. The victim of a sex offense typically desires confidentiality and anonymity; as a result he/she will often seek a reporting source other than law enforcement such as a designated Campus Security Authority. Because the sex offender may continue to pose a threat to the community, the threat potential needs to be evaluated and the campus community alerted/warned as necessary. **UNIVERSITY OF HOUSTON SYSTEM
ADMINISTRATIVE MEMORANDUM**

SECTION: General Information

NUMBER: 01.D.08

AREA: Legal Affairs

SUBJECT: Sexual Misconduct

1. PURPOSE

This Policy provides the exclusive mechanism for the University of Houston System and its universities (“University”) to manage the non-criminal reporting of Sexual Misconduct, as defined in this Policy, by providing a prompt, fair, and impartial investigation and resolution process.

Consistent with its commitment to addressing Sexual Misconduct, the University complies with Title IX of the Education Amendments of 1972 (“Title IX”), which prohibits discrimination on the basis of sex in Education Programs or Activities, as defined in this Policy, Title VII of the Civil Rights Act of 1964 (“Title VII”), which prohibits sex discrimination in employment, Section 304 of the Violence Against Women Reauthorization Act of 2013 (also known as the Campus Sexual Violence Elimination Act (SaVE Act) and applicable state law, including Texas Education Code §51.259 and §51.295. The University also prohibits the crimes of dating violence, domestic violence, sexual assault, and stalking as defined by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.

2. POLICY

The University is committed to maintaining and strengthening an educational, working and living environment where students, faculty, staff, visitors, and applicants for admission or employment are free from sex discrimination of any kind. Sexual Misconduct, a form of sex discrimination, is antithetical to the standards and ideals of the University. The University will take appropriate action in an effort to eliminate Sexual Misconduct from occurring, prevent its recurrence, and address its effects by conducting educational programs, including ongoing prevention and awareness campaigns, designed to promote awareness, reduce risk, and prevent Sexual Misconduct. In implementing this Policy, the University, to the greatest extent practicable, ensures equal access for persons with disabilities.

This Policy includes two separate grievance processes in order to comply with Title IX regulatory requirements and continue to address Sexual Misconduct that occurs outside of Title IX jurisdiction: Title IX Grievance Procedures and UH System Sexual Misconduct Grievance Procedures. The University acknowledges that Sexual

Misconduct occurring outside of an Education Program or Activity, as defined in the Title IX regulations and this Policy, can have a direct impact on the campus experience, depriving individuals who experience it of their fundamental ability to live, learn, and work with dignity. It is essential that university environments foster gender equality and provide safe spaces in which all students can learn and all employees can work. Students' equal access to education depends on effective policies and responses by universities to address Sexual Misconduct.

Students and employees may be disciplined under this Policy for Sexual Misconduct on University grounds or off University grounds when the incident occurs in connection with an Education Program or Activity, when the incident has a substantial connection to an employee's duties or the interests of the University, or when the incident poses a threat of serious mental or bodily harm to any member of the University community, even if the student or employee is or may be penalized by civil or criminal authorities for the same act.

3. DEFINITIONS

- 3.1 Actual Knowledge: Notice of actual or alleged Sexual Misconduct to a University's Title IX Coordinator or any official of the University who has authority to institute corrective measures on behalf of the University. Other officials of the University who have authority to institute corrective measures on behalf of the University include all elementary school employees.

Such employees include, but are not limited to:

 - 3.3.2 Individuals who are associated with the University in the role of a pastoral counselor or confidential advisor acting in that capacity.

- 3.7 Formal Complaint: A document filed by a Complainant or signed by the Title IX Coordinator alleging Sexual Misconduct against a Respondent and requesting that the University investigate the allegation(s) of Sexual Misconduct.
- 3.7.1 A document filed by a Complainant means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the University) that contains the Complainant's physical or digital signature, or otherwise indicates that the Complainant is the person filing a Formal Complaint.

- 3.8 Hearing Advisor: An individual acting on behalf of a named party in Title IX Grievance Procedures. Any named party will have the same opportunity to have a Hearing Advisor of their choice present during any hearing held in accordance with the Title IX Sexual Misconduct Grievance Procedures. as a result are rendered temporarily incapable of understanding, appraising, or controlling their conduct.

- 3.12.2 A person's incapacity to understand, appraise, or control their conduct may be analyzed based on surrounding factors including, but not limited to, hallucinations, blackouts, seizures, vomiting, slurred speech, disorientation, or lack of physical or mental coordination.
- 3.12.3 When a Respondent has been accused of engaging in sexual activity with an incapacitated person, the perspective of a reasonable person will be applied to determine whether the Respondent knew or should have known about the Complainant's inability to give consent.
- 3.13 Protected Class: A class of persons who are protected under applicable federal or state laws against discrimination and harassment on the basis of race, color, sex (including pregnancy), genetic information, religion, age, national origin, disability, veteran status, sexual orientation, gender identity, and gender expression or any other legally protected status.
- 3.14 Personal Advisor: Any named party is entitled to have one (1) personal advisor of their choice present during any meeting related to the investigation of Sexual Misconduct. This advisor may be an attorney, provided at the party's expense, with no cost to the University. Personal Advisors may not speak on behalf of the individual they are advising or be a witness at any hearing that they attend in the capacity of Personal Advisor or Hearing Advisor. A Personal Advisor may ask to briefly suspend any meetings, interviews, or hearings to provide private consultation related to the meeting or proceeding in process. An individual serving as a Personal Advisor may serve as a Hearing Advisor under Title IX Grievance Procedures.
- 3.15 Respondent: An individual who has been reported to be the perpetrator of conduct that could constitute Sexual Misconduct.
- 3.16 Responsible Employee: A University employee who has the duty to report incidents of Sexual Misconduct to the Title IX Coordinator or other appropriate designee, or an employee whom an individual could reasonably believe has this duty. Responsible employees include all administrators, faculty, and staff, except Confidential Resource Employees.

Complainant or Respondent regardless of whether a Formal Complaint has been filed.

- 3.19 Title IX Coordinator: The person who has been designated on each University's campus to coordinate efforts to comply with and implement this Policy. The Title IX Coordinator is responsible for conducting the administrative investigation of reports of Sexual Misconduct and is available to discuss options, provide support, explain University policies and procedures, and provide education on relevant issues. The Title IX Coordinator may designate one or more Deputy Title IX Coordinators. The Title IX Coordinators for each University are located here:

4. JURISDICTION

- 4.1 The University has jurisdiction over allegations of Sexual Misconduct occurring on the University’s premises, at University-Affiliated Activities, and/or where the Respondent or Complainant are either a student, faculty member, staff member, visitor to campus, or applicant for admission or employment. Consistent with its other codes of conduct, the University has jurisdiction over allegations of UH System Sexual Misconduct occurring off campus when the incident has a substantial connection to an employee's duties or the interests of the University, or when the incident poses a threat of serious mental or bodily harm to any member of the University community. Other than the University Police Department which may conduct a criminal investigation as appropriate, the University does not have jurisdiction over allegations between visitors or non-affiliated persons under this Policy.
- 4.2 The University has the discretion to investigate conduct occurring off University premises or at a non-University-Affiliated Activity if either the Complainant or Respondent is University-Affiliated.
- 4.3 Proceedings may continue even if a party is no longer employed with the University. Per state law, proceedings will continue even if a party is no longer a student of the University.
- 4.4 The University’s jurisdiction over Title IX Sexual Misconduct is limited to incidents that meet the definition of Title IX Sexual Misconduct as well as the following requirements:
 - 4.4.1 The University received Actual Knowledge of allegations of Title IX Sexual Misconduct;
 - 4.4.2 The allegation of Title IX Sexual Misconduct occurred in an Education Program or Activity including any building owned or controlled by a student organization that is officially recognized by the University, whether such a building or activity is on-campus or off-campus;
 - 4.4.3 The allegation of Title IX Sexual Misconduct occurred against a person in the United States; and
 - 4.4.4 At the time of filing a Formal Complaint, the Complainant had been participating in or attempting to participate in the University’s Education Program or Activity.
- 4.5 If the University is notified that a member of the University community has reported an incident of Sexual Misconduct, but the University does not have jurisdiction to handle the case, the University will still take reasonable steps to

ensure the individual's safety while on campus and to offer the individual information about resources both on campus and in the community.

5. CONSENT

- 5.1 Consent can be expressed either by words or by clear and unambiguous actions, as long as those words or actions create mutually understandable permission regarding the conditions of each instance of sexual activity.
- 5.2 It is the responsibility of the person who wants to initiate a sexual activity to ensure that they have the consent of the other(s) to initiate each instance of sexual activity before they initiate the sexual activity.
- 5.3 Consent is active, not passive, and cannot be inferred from the absence of a "no." Without words or actions demonstrating permission, silence, lack of protest, or lack of resistance cannot be assumed to show Consent.
- 5.4 The existence of a dating relationship or a previous sexual relationship between the persons involved does not provide the basis for an assumption of consent to future sexual activity.
- 5.5 Being under the influence of drugs and/or alcohol is never a defense for not obtaining consent.
- 5.6 A person cannot consent if physical force or violence is used or threatened.
- 5.7 Sexual Misconduct can occur between strangers or acquaintances.
- 5.8 Alcohol or other drugs can lower inhibitions and create an atmosphere of confusion over whether consent is freely and effectively given. Consent is difficult to discern when a person has ingested alcohol and/or other drugs. Anyone wanting to initiate sexual activity is strongly encouraged to err on the side of caution when either they or the person(s) they want to initiate the activity with appear(s) to be intoxicated or there is reasonable cause to believe any individual is intoxicated.

6. REPORTING INCIDENTS

- 6.1 Any person, regardless of whether they are the alleged victim, may report Sexual Misconduct to the Title IX Coordinator in person, by mail, by electronic mail, by telephone, or by the University's electronic reporting system.
- 6.2 Anonymous Reporting
 - 6.2.1 Alleged victims and others not required to report may report Sexual Misconduct anonymously through the web-based reporting system, the

Fraud and Non-Compliance Hotline.

- 6.2.2 The web address for the Fraud and Non-Compliance Hotline is:
<https://app.convercent.com/en-us/LandingPage/b3d1c670-e06c-e711-80cf-000d3ab0d899>
- 6.2.3 Reports received through this site will be reviewed and investigated if sufficient information is provided to conduct an investigation.
- 6.2.4 The University will work with anyone who is identified via a Fraud and Non-Compliance report or subsequent investigation to provide anonymity to the full extent possible under this Policy.
- 6.2.5 Upon receipt of an anonymous report that implicates this Policy, the Title IX Coordinator will invite the reporter to formalize the report into a Formal Complaint. While Supportive Measures are available to anonymous reporters without filing a Formal Complaint, finding(s) and sanction(s) or remedies, if applicable, require a Formal Complaint as described in *Appendix B and C*.
- 6.2.6 If the anonymous reporter declines to pursue a Formal Complaint, the Title IX Coordinator may pursue a complaint on behalf of the University after considering the factors explained in *Section 14.2.3*.
- 6.2.7 Complainants have the right to decide if and when they report the incident(s) to the University, law enforcement, or to any other member of the University community. The University strongly encourages individuals to access services, such as counseling and medical help, that can respond to the immediate mental and physical impact of an act of Sexual Misconduct. Individuals can access these services regardless of whether they report what happened.
- 6.3 The University strongly encourages reporting as soon as possible. Prompt reporting may preserve options that delayed reporting does not, including immediate police response and the preservation of physical evidence that may be necessary to prove an alleged criminal offense or to obtain a protective order.
- 6.4 Once an individual alerts the University of an alleged violation of this Policy the Complainant will be provided with written information including this Policy, their rights, reporting options, and support resources regardless of whether the incident(s) occurred on or off campus.
- 6.5 Complainants have multiple options regarding the involvement of law enforcement and campus authorities, including:

- The option to notify proper law enforcement authorities including on campus and local police;
- The option to be assisted by campus authorities in notifying law enforcement authorities; and
- The option to decline to notify such authorities.

6.6 Anyone can receive information about this Policy, their rights under the Policy, reporting options, and support resources without disclosing facts related to the alleged incident.

6.7 Each University may have their own programs and services related to the issues covered by this Policy so there may be additional resources for information on your campus.

7. EMPLOYEE REQUIRED REPORTING

7.1 To comply with Texas Education Code Chapter 51, an employee of the University who, in the course and scope of their employment, witnesses or receives information regarding the occurrence of an incident that the employee reasonably believes constitutes Sexual Misconduct and is alleged to have been committed by or against a person who was a student enrolled at or an employee of the University at the time of the incident regardless of when or where the incident occurred shall promptly report the incident to the University's Title IX Coordinator.

7.2 This section does not apply to an incident in which the employee was a victim of Sexual Misconduct.

7.3 A Confidential Resource Employee, in making a report under this section, will state only the type of incident reported and may not include any information that would violate someone's expectation of privacy.

7.4 In addition, some individuals who are not Responsible Employees who must share reports under this section with the Title IX Coordinator include, but are not limited to:

- Elected Members of Student Government Associations; and
- Individuals, including students, serving as responsible persons, even if they are volunteers, at a University Education Program or Activity. These individuals could be teaching assistants, graduate assistants, research assistants, chaperones, peer mentors, or retreat counselors. These individuals are required to report because they are either in a position to do something

about the alleged action(s), may be perceived to be able to do something about the alleged action(s), or would otherwise have to report known or suspected incidents of Sexual Misconduct.

- 7.5 Anyone who is required to report known or suspected violations of this Policy must promptly contact the Title IX Coordinator and disclose what they know about the alleged incident(s). Even if a required reporter is a Campus Security Authority and must provide a report to law enforcement or other campus departments, the reporter must also directly notify the Title IX Coordinator as soon as possible.
- 7.6 Reports should include all information concerning the incident known to the reporting person, including all relevant details such as the following:
- The name of the Respondent (if known) and any affiliation with the University (if known);
 - The name of the Complainant and any affiliation with the University (if known);
 - The names of other people who may be involved;
 - Relevant facts, including date, time, and location of the incident(s); and
 - Whether a Complainant has expressed a desire for confidentiality in reporting the incident.
- 7.7 The University will comply with all applicable state laws regarding mandatory reporting for known or suspected abuse, neglect, or exploitation of a child or a vulnerable adult.
- 7.8 Individuals who are not required to report and who are not bound by state confidentiality laws are still encouraged to report known or suspected violations of this Policy and may do so through the methods listed in this Policy.
- 7.9 Public awareness events such as “Take Back the Night,” candlelight vigils, protests, “survivor speak outs,” or other forums in which members of the community disclose incidents of violations of this Policy are not considered notice to the University for the purpose of triggering its obligation to investigate.

However, information regarding rights under this Policy will be available to anyone who discloses Sexual Misconduct at one of these types of events.

- 7.10 Reporting to Outside Entities: An individual wishing to make a complaint may also contact the U.S. Department of Education, Office for Civil Rights (OCR), to complain of sex discrimination, including Sexual Misconduct:

Office for Civil Rights
U.S. Department of Education

Dallas, Texas 75201
Phone: (214) 661-9600
Fax: (214) 661-9587
Email: OCR.Dallas@ed.gov

Employees may also contact the U.S. Equal Employment Opportunity Commission to complain of sex discrimination, including Sexual Misconduct:

U.S. Equal Employment Opportunity Commission
Houston District Office

8. IMMEDIATE ASSISTANCE

- 8.1 Medical Assistance: An individual who experiences any form of Sexual Misconduct is encouraged to seek immediate medical care. Preserving DNA evidence can be key to identifying the perpetrator in a sexual violence case. Victims can undergo a medical exam to preserve physical evidence with or without police involvement. If possible, this should be done immediately. If an immediate medical exam is not possible, individuals who have experienced a sexual assault may have a Sexual Assault Forensic Exam (SAFE) performed by a Sexual Assault Nurse Examiner (SANE) within 120 hours of the incident. With the examinee's consent, the physical evidence collected during this medical exam can be used in a criminal investigation; however, a person may undergo a SAFE even without contacting, or intending to contact, the police. To undergo a SAFE, please go to the nearest hospital that provides SAFE services. For more information about the SAFE, see the University of Houston System's webpage dedicated to resources and reporting information related to sexual misconduct.

The cost of the forensic portion of the exam is covered by the law enforcement agency that is investigating the assault or, in cases in which a report will not be made to the police, the Office of the Attorney General. This does not include fees related to medical treatment that are not a part of the SAFE. An individual who experiences any form of sexual, domestic, or dating violence is encouraged to seek immediate medical care because they may be prescribed medications to

prevent sexually transmitted infections and/or pregnancy even if the police are not contacted or if a SAFE is not performed.

8.2 Police Assistance: Because the prohibited actions outlined in this Policy may also constitute a criminal act(s), individuals seeking emergency assistance or who want to file a criminal report may contact their University police department or the appropriate local law enforcement agency. In addition to any possible criminal action, the University Police will forward notice of the report to the Title IX Coordinator. Reporting to the police helps maintain future options regarding criminal prosecution. Generally, when the victim reports the incident, a police officer will take a statement from the victim regarding what happened. An adult victim can request that their identity be kept confidential. Anyone wishing to file a report with University police can make a report to their University's Police Department as noted below:

8.3 Counseling Assistance: A person who has experienced sexual violence is strongly encouraged to seek medical and psychological care even if they do not plan to

request a Sexual Assault Forensic Exam (SAFE) or report the assault to the police.

- 8.4 Complainants will be provided written notification about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other services available both within the University and in the community.

9. **SUPPORTIVE MEASURES, EMERGENCY REMOVAL, & LEAVE DURING AGENCY INVESTIGATION**

9.1 **Supportive Measures**

9.1.1 Once the Title IX Coordinator receives a report of an alleged act of Sexual Misconduct, the Title IX Coordinator will promptly contact the Complainant and Respondent in writing to discuss the availability of Supportive Measures, consider the Complainant's and Respondent's wishes with respect to Supportive Measures, inform the Complainant of the availability of Supportive Measures with or without filing a Formal Complaint, and explain to the Complainant the process for filing a Formal Complaint.

9.1.2 The University will treat the parties equitably by offering Supportive Measures to Complainants and Respondents.

9.1.3 Supportive Measures are offered as appropriate, as reasonably available, and without fee or charge to the Complainant or Respondent.

9.1.4 The University's Supportive Measures are designed to restore or preserve equal access to the University's Education Program or Activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the University's educational, living, and working environment, or to deter Sexual Misconduct.

9.1.5 Supportive Measures may include, but are not limited to:

- Counseling for a Complainant or Respondent through a University-affiliated counseling center while the processes outlined in this Policy are ongoing;
- Extensions of deadlines or other course-related adjustments;
- Modifications of work or class schedules;
- Campus escort and transportation services;

- Mutual restrictions on contact between the parties;
- Changes in work or housing locations;
- Leaves of absence; or
- Increased security and monitoring of certain areas of the campus.

9.1.6 The Title IX Coordinator is responsible for coordinating the effective implementation of Supportive Measures.

9.1.7 The University will honor any order of protection, no-contact order, restraining order, or similar lawful order issued by any criminal, civil, or tribal court.

9.1.8 Failure to adhere to the parameters of any Supportive Measure may be considered a separate violation of this Policy and may result in disciplinary action.

9.2 Emergency Removal & Leave During Agency Investigation

9.2.1 Once the Title IX Coordinator receives a report of an alleged act of Sexual Misconduct, the Title IX Coordinator will undertake an individualized safety and risk analysis to determine whether an immediate threat to the physical health or safety of any student, employee, or other individual arising from the allegations of Sexual Misconduct justifies emergency removal or Leave During Agency Investigation pending further investigation. At the conclusion of the safety and risk analysis, the Title IX Coordinator will make a recommendation for removal to the appropriate office. The appropriate office will provide Respondent with notice and an opportunity to challenge the decision immediately following their removal.

9.2.2 An employee Respondent may be placed on Leave During Agency Investigation, in accordance with the University's policy and procedures on employee Leave During Agency Investigation during the pendency of a grievance process, as outlined in this Policy.

10. DISMISSALS AND GRIEVANCE PROCEDURES

10.1 Classification of Alleged Sexual Misconduct

10.1.1 Before, during, or after the completion of the investigative report, the Title IX Coordinator will make a determination on the classification of the alleged Sexual Misconduct, in order to determine the appropriate

procedures prescribed in this Policy.

10.1.2 For purposes of determining the appropriate grievance procedure, jurisdiction, and dismissal requirements, the Title IX Coordinator will determine whether the Sexual Misconduct is classified as either Title IX Sexual Misconduct or UH System Sexual Misconduct, both as defined in this Policy.

10.2 Title IX Sexual Misconduct

10.2.1 If the Title IX Coordinator determines that the alleged Sexual Misconduct constitutes Title IX Sexual Misconduct, the requirements in this section will apply, including the Title IX Grievance Procedures, jurisdiction, and dismissal requirements. The Title IX Coordinator may dismiss a Formal Complaint from the Title IX Grievance Procedures that does not meet the jurisdictional requirements as described below at any time.

10.2.2 Title IX Dismissals

- A. Permissive Dismissals – A Formal Complaint may be dismissed from the Title IX Grievance Procedures if:
- A party is no longer employed with the University;
 - A Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the Formal Complaint or any allegation therein;
 - Specific circumstances prevent the University from gathering evidence sufficient to reach a determination as to the allegations contained in the Formal Complaint;
 - The Complainant expressly or by action declines to cooperate with the investigation;
 - An appropriate resolution or remedy has already been achieved; or
 - The University no longer has control over an employee Respondent and, when appropriate, remedies have been offered to the Complainant.

B. Mandatory Dismissals

- A Formal Complaint must be dismissed from the Title IX Grievance Procedures when the conduct alleged would not constitute Title IX Sexual Misconduct as defined in this Policy.
- While the University must dismiss a Formal Complaint from the Title IX Grievance Procedures when the Formal Complaint does not meet the jurisdictional or definition requirements for purposes of Title IX Sexual Misconduct, such a dismissal does not preclude action under another provision of this Policy or the University's codes of conduct.
- The University will simultaneously notify the parties of dismissal of a Formal Complaint from the Title IX Grievance Procedures as well as the reasons for dismissal.
- The parties may appeal a Title IX dismissal through the process described in the Written Appeals section of *Appendix B – Title IX Grievance Procedures*.

10.3 UH System Sexual Misconduct

10.3.1 If the Title IX Coordinator determines that the alleged Sexual Misconduct constitutes UH System Sexual Misconduct, as defined in this Policy, the requirements in this section will apply, including the grievance procedure, jurisdiction, and dismissal requirements.

10.3.2 UH System Sexual Misconduct Dismissals

- A. The University reserves the right to dismiss a Formal Complaint from the UH System Sexual Misconduct Grievance Procedure for the following non-exclusive reasons:
- The Complainant expressly or by action declines to cooperate with the investigation;
 - An appropriate resolution or remedy has already been achieved; or
 - The University no longer has control over the Respondent if they are an employee and, when appropriate, remedies have

been offered to the Complainant.

10.3.3 If the University decides to not proceed with a Formal Complaint under the UH System Sexual Misconduct Grievance Procedure, the University will notify the Complainant within five (5) business days of the decision explaining the reason(s) for this decision. This notification will also include a statement informing the Complainant of their ability to file a new complaint with additional information and this new complaint will be assessed on its own merits.

11. CONFIDENTIALITY

- 11.1 The University will keep confidential the identity of any individual who has made a report or Formal Complaint of Sexual Misconduct, any Complainant, any Respondent, and any witnesses, except as may be necessary to conduct an investigation, hearing, or judicial proceeding, or except as permitted by FERPA.
- 11.2 If a party is a student, the student will need to sign a FERPA Release form for the Personal or Hearing Advisor to be present at any meeting or proceeding. The FERPA Release allows staff to speak freely about the student's case when the Personal or Hearing Advisor is present. The student may revoke the FERPA release in writing if they choose to no longer have the individual serve as their Personal or Hearing Advisor or have access to the matter.
- 11.3 The University will maintain as confidential any Supportive Measures provided to the Complainant or Respondent, to the extent that maintaining such confidentiality would not impair the ability of the University to provide the Supportive Measures.
- 11.4 The University will protect the anonymity of all individuals involved in a report or a Formal Complaint by refusing to disclose their identifying information to anyone outside the University to the maximum extent permitted by law.
- 11.5 The University has great respect for the privacy of the parties identified in a report or Formal Complaint. Under state law, however, Responsible Employees who receive information of alleged Sexual Misconduct must share that information with the Title IX Coordinator. As such, the University may need to act to maintain campus safety and must determine whether to investigate further, regardless of the Complainant's request for confidentiality or request to not investigate a report submitted to the Title IX Coordinator.
- 11.6 In making determinations regarding requests for confidentiality including Complainants' requests to not investigate, dismiss Formal Complaints, and/or to not disclose identifying information to Respondents, the Title IX Coordinator must deliberately weigh the rights, interests, and safety of the Complainant, the

Respondent, and the campus community. The University must consider the following non-exclusive factors when determining whether to investigate an alleged incident of Sexual Misconduct:

- The seriousness of the alleged incident;
- Whether the University has received other reports of alleged Sexual Misconduct by the alleged Respondent;
- Whether the alleged incident poses a risk of harm to others; and
- Any other factors the University determines relevant.

- 11.7 Under state law, if the Complainant requests in writing that the University not investigate a report, the University must inform the Complainant of the decision whether or not to investigate.
- 11.8 When a Formal Complaint is signed by the Title IX Coordinator rather than filed by a Complainant, the University is required to send both parties details about the allegations, including the identity of the parties, if known. If the Complainant's identity is unknown, the grievance process under this Policy may proceed if the Title IX Coordinator determines it is necessary to sign a Formal Complaint, even though the written notice of allegations required in this Policy does not include the Complainant's identity.
- 11.9 Community-based programs not affiliated with the University may also be confidential resources and would follow their own policies and procedures regarding reporting duties.
- 11.10 The University will protect the confidentiality of Complainants and other necessary parties while ensuring Clery Act statistical reporting requirements, specifically, such reporting will be done without inclusion of personally identifying information about a Complainant.

12. SELF-HELP

- 12.1 An individual who believes that they are the subject of unlawful Sexual Misconduct may choose to deal with the alleged offender directly through a face-to-face discussion, a personal telephone conversation, e-mail correspondence, or letters. In some cases, this approach may resolve the situation; in others, it may be ineffective or place the individual in an uncomfortable, insecure, or compromised position.
- 12.2 Under no circumstances should an individual feel pressured to address the alleged offender directly or handle the matter alone, and a decision not to confront a

person alleged to be discriminatory or harassing will not be treated negatively under this Policy.

13. PRELIMINARY RESPONSE PROCEDURES

- 13.1 A report of a violation of this Policy does not automatically begin the formal grievance procedures outlined in this Policy. A Complainant who reports an incident of Sexual Misconduct may seek a formal grievance process by filing a Formal Complaint as described in *Section 14* of this Policy.
- 13.2 The University will determine the appropriate preliminary response to each report based on the information available at the time of the report and, whenever possible, with the input of the Complainant.
- 13.3 When the University receives a report regarding an alleged violation of this Policy, it will take reasonable measures to do the following:
- Contact the Complainant and the Respondent to notify them of their rights and options under this Policy;
 - Implement any appropriate Supportive Measures; and
 - Conduct a preliminary investigation, as appropriate.
- 13.4 Anyone who reports Sexual Misconduct will be notified of their right to speak to the appropriate law enforcement agency and file a report for possible criminal prosecution.
- 13.5 The processes outlined in this Policy is separate from any criminal proceeding related to the reported behavior and may occur while criminal proceedings are ongoing.
- 13.6 Proceedings under this Policy will not be dismissed or delayed because criminal prosecution is pending, criminal charges have been dismissed, or the criminal charges have been reduced.

14. FILING A FORMAL COMPLAINT & INVESTIGATION

- 14.1 If a Complainant wishes to pursue official University action against a Respondent for alleged Sexual Misconduct, they may follow the steps described in this section to file a Formal Complaint, which will initiate an investigation. At the end of the investigation, the Title IX Coordinator will make a determination on which grievance process (as described in *Section 15 and 16* of this Policy) is appropriate based on jurisdictional requirements.

*This graphic explains the formal complaint progress. A Complainant files a formal complaint, the Respondent(s) have an opportunity to provide a written or verbal Response, the Title IX office performs an investigation, and the Title IX office will inform the parties of which grievance process will apply based on jurisdictional requirements.

14.2 Filing a Formal Complaint

14.2.1 A Complainant may file a Formal Complaint alleging Sexual Misconduct with the Title IX Coordinator in person, by mail, by electronic mail, or by the University’s electronic reporting system.

14.2.2 The University does not limit the timeframe for filing a report or Formal Complaint of Sexual Misconduct, although the University’s ability to take any action may be limited because of the passage of time.

14.2.3 Even in the absence of a Formal Complaint, some circumstances may require the Title IX Coordinator to initiate a Formal Complaint in order to protect the University community. If the Title IX Coordinator initiates a Formal Complaint, the Title IX Coordinator is not a Complainant or otherwise a party. The decision for the Title IX Coordinator to file a Formal Complaint is not taken lightly and will be determined based on various factors including, but not limited to, the type of actions alleged in the report, prior reports received, the potential for repeated behavior, and/or the potential on-going risk to the non-participating Complainant and/or the University community.

14.2.4 If the Title IX office determines that the Formal Complaint does not contain alleged conduct that constitutes Sexual Misconduct as defined in this Policy, the Title IX office will endeavor to determine whether other

codes of conduct or University policies might have been implicated by the alleged conduct and refer accordingly.

14.2.5 Once a Formal Complaint is filed, if the Complainant decides that they want to withdraw the Formal Complaint, the University's investigation may still proceed.

14.2.6 The University may consolidate Formal Complaints as to the allegations of Sexual Misconduct against more than one Respondent, or by more than one Complainant against one or more Respondents, where the allegations of Sexual Misconduct arise out of the same facts or circumstances.

14.3 Written Notice to the Parties

14.3.1 After receipt of a Formal Complaint, the Title IX Coordinator will provide written notice to the parties within five (5) business days, which will include, but is not limited to:

- Notice of the University's Title IX Grievance Procedure, if applicable, including information about the Informal Resolution process;
- Notice of the allegations that may constitute Sexual Misconduct;
- Sufficient details, including the identities of the parties involved in the incident, the conduct allegedly constituting Sexual Misconduct, and the date and location of the alleged incident, if known;
- A statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
- Notice that the parties may have a Personal Advisor of their choice who may be, but is not required to be, an attorney;
- Notice that the parties may inspect and review evidence, in accordance with applicable policies; and

Notice of any provision of the University's code of conduct or other policy that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

14.4 Response to a Formal Complaint

14.4.1 A Respondent's response to a Formal Complaint is due to the Title IX office within five (5) business days from the date the Title IX office sent it

to the Respondent. The Title IX office may grant an extension for good cause.

14.4.2 The response should address and respond to the specific allegations made in the Formal Complaint and can include any other rebuttal information or evidence.

14.4.3 A response may be provided in writing or through an in-person interview with the investigator(s).

14.4.4 While a Respondent is not required to provide a response to the Formal Complaint or answer questions related to the investigation, this will not stop the Formal Complaint process. Failure to acknowledge receipt of the Formal Complaint may be considered a violation of University policy and could result in additional action.

14.5 Informal Resolution (Optional)

14.5.1 If a Formal Complaint alleges a violation of this Policy, the Title IX Coordinator may choose to offer the parties an informal process that resolves the Formal Complaint without completing the grievance process. The option to informally resolve a Formal Complaint depends on whether the University determines that informal resolution may be appropriate and whether both parties voluntarily agree to attempt informal resolution.

14.5.2 If informal resolution is offered by the Title IX Coordinator, the parties are not required to accept this process. If the parties choose to accept the informal resolution process, they must provide their written consent to the Title IX Coordinator.

14.5.3 The informal resolution offered by the Title IX Coordinator may encompass a broad range of conflict resolution strategies, including, but not limited to:

- Alcohol education classes;
- Regular meetings with an appropriate University official(s);
- Permanent extension of a mutual no contact directive;
- Restriction from participation in student organizations;
- University-led training sessions; and
- Counseling sessions.

- 14.5.4 Any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to a Formal Complaint at any time prior to agreeing to a resolution.
- 14.5.5 If an informal resolution is accepted by the parties in writing, the Title IX Coordinator will provide the parties written notice of the following:
- The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming the grievance process with respect to a Formal Complaint arising from the same allegations;
 - At any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the Formal Complaint; and
 - Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.
- 14.5.6 Any final resolution pursuant to the informal resolution process will be documented and kept for seven (7) years as required by law. However, no recording of the informal resolution process will be made and any statements made during the informal resolution process may not be used for or against either party. Failure to comply with an informal resolution agreement may result in disciplinary action.
- 14.5.7 Informal resolution may **not** be used to resolve Sexual Misconduct allegations where a University employee is alleged to have engaged in Sexual Misconduct against a student. Under certain circumstances, a student may be considered an employee.

14.6 Investigation

- 14.6.1 Absent extenuating circumstances, a Sexual Misconduct investigation will begin upon receipt of a Formal Complaint of alleged Sexual Misconduct. A preliminary investigation may begin prior to receiving a response from a Respondent.
- 14.6.2 Title IX investigator(s) will attempt to gather evidence and interview the Complainant, the Respondent(s), and any witnesses, including those identified by the Complainant and Respondent, as appropriate.
- 14.6.3 Both Complainant and Respondent will be provided equal opportunity to present witnesses and other inculpatory and exculpatory evidence.

14.6.4 Both Complainant and Respondent will be provided equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a Formal Complaint, including the evidence upon which the University does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source.

14.7 Inspection of Evidence and Investigative Report

14.7.1 Prior to the completion of the investigative report, the Title IX investigator(s) will send to each party and their Advisor, if any, a draft copy of the investigative report and all evidence obtained as part of the investigation, including all inculpatory or exculpatory evidence.

14.7.2 The parties will be given ten (10) business days to review the draft report and evidence and provide a written response before the investigative report becomes final.

14.7.3 The Title IX investigator(s) will finalize the investigative report after considering the responses from the parties and will provide a copy to the parties and their Personal Advisors, if any, at least ten (10) business days prior to the hearing.

15. TITLE IX SEXUAL MISCONDUCT GRIEVANCE PROCEDURE

15.1 If the alleged Sexual Misconduct is found to be considered Title IX Sexual Misconduct, the Title IX Grievance Procedure, described in *Appendix B* of this Policy, will apply.

16. UH SYSTEM SEXUAL MISCONDUCT GRIEVANCE PROCEDURE

16.1 If the alleged Sexual Misconduct is found to be considered UH System Sexual Misconduct, the UH System Sexual Misconduct Grievance Procedure, described in *Appendix C* of this Policy, will apply.

17. RETALIATION PROHIBITED

17.1 The University takes reports of Sexual Misconduct very seriously and will not tolerate retaliation against those who in good faith make such reports or participate in the investigation or adjudication process.

17.2 No person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any rights or privilege secured in this Policy or because the individual has made a report or Formal Complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this Policy.

- 17.3 Any person who believes that they have been subjected to retaliation should immediately report this concern to the Title IX Coordinator.
- 17.4 If an individual makes a materially false statement in bad faith during the course of a grievance procedure under this policy, this conduct may constitute a violation through a separate University policy. A finding through a separate policy does not constitute retaliation prohibited in this section. However, a determination of responsibility under the Sexual Misconduct, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

18. IMMUNITY

- 18.1 To encourage reporting, the University will not take any disciplinary action against a student enrolled at the University who in good faith reports being the victim of, or a witness to, an incident of Sexual Misconduct for a violation under the University's Student Code of Conduct for conduct by the student occurring at or near the time of the incident, regardless of the location at which the incident occurred or the outcome of the University's disciplinary process regarding the incident, if any. The University may investigate to determine whether a report of an incident of Sexual Misconduct was made in good faith. A determination that a student is entitled to amnesty is final and may not be revoked.
- 18.2 A person employed by or enrolled at the University acting in good faith who reports or assists in the investigation of a report of an incident of alleged Sexual Misconduct, or who testifies or otherwise participates in the Formal Complaint process, will not be subjected to any disciplinary action by the University for any violation by the person of the University's code of conduct reasonably related to the incident for which suspension or expulsion from the institution is not a possible punishment. Decisions regarding immunity are made by the Title IX Coordinator in conjunction with the appropriate sanctioning body.
- 18.3 Immunity, as described in this section, does not apply to individuals who participate or assist in the reported alleged incident.

19. ALLEGATIONS INVOLVING UNIVERSITY-AFFILIATED ORGANIZATIONS

APPENDIX B – Title IX Grievance Procedures

1. TITLE IX INVESTIGATIVE REPORT

- 1.1 Upon completion of the investigation report by a Title IX investigator and a determination that the alleged Sexual Misconduct is considered Title IX Sexual Misconduct, the University will hold a hearing during which both parties' Hearing Advisors will have the opportunity to present relevant evidence and ask questions of the parties and witnesses.

2. PREPARING FOR A HEARING

- 2.1 Absent extenuating circumstances, the Title IX Coordinator will schedule a hearing within fifteen (15) business days from the conclusion of the investigation.
- 2.2 Once the hearing is scheduled, requests to reschedule the hearing must be submitted in writing to the Title IX Coordinator and will be considered by the Hearing Officer.
- 2.3 The Complainant and Respondent(s) will be notified of the identity of the Hearing Officer for their hearing. Within five (5) business days of this notification, the Complainant and Respondent(s) have the opportunity to object in writing to the Hearing Officer for cause. The Title IX Coordinator, in consultation with the Hearing Officer, will consider any objection and replace the Hearing Officer if appropriate. In the event that the Hearing Officer recuses themselves, an alternative Hearing Officer will be assigned.
- 2.4 No later than five (5) business days prior to the hearing, all materials that will be used at the hearing must be submitted to the Title IX Coordinator. The Title IX Coordinator will simultaneously make this material available for inspection or provide the materials to both parties as well as the Hearing Officer. The materials must include:
 - All documents and other tangible evidence that will be used as evidence during the hearing.
 - The names of any witnesses and a brief summary concerning the subject matter of the witness' expected testimony.
 - The name of any advisor to be in attendance at the hearing and whether that person is an attorney. Only one Personal Advisor and one Hearing Advisor per party is allowed to attend.

- 2.5 No witness, document, or tangible evidence will be permitted at the hearing unless such information was timely submitted.
- 2.6 It is the responsibility of the party wanting to present a witness to secure that witness.

3. TITLE IX HEARING

3.1 Roles and Responsibilities

3.1.1 Designated Representative

- A. A designated representative may be present at a hearing to serve as a resource to the Hearing Officer for sanctioning purposes in the case of a finding.

3.1.2 Hearing Advisor

- A. A Hearing Advisor is responsible for advising and acting on behalf of a named party as to presentation of witnesses. Each party may have one (1) Hearing Advisor.
- B. A Hearing Advisor may present evidence, question witnesses, and will conduct cross examination of the parties and witnesses. Each party will present their own opening and closing statements, which will be limited to fifteen (15) minutes each.
- C. Hearing Advisors shall not directly address the opposing Hearing Advisor or the opposing party outside of cross-examination.
- D. Hearing Advisors and parties shall not cause unreasonable delays by failing to schedule or appear for a meeting as requested by a Hearing Officer.
- E. Hearing Advisors must adhere to the rules of decorum.

3.1.3 Hearing Officer

- A. The Hearing Officer may question any individual at any time during the hearing.

- B. The Hearing Officer may impose reasonable time limits on any stage of the hearing.
- C. The Hearing Officer may determine the relevance of, and place restrictions on, any witness testimony or questions or information presented. The Hearing Officer has the responsibility to determine the relevancy of questions and explain in real time any decision not to permit a question to be asked.
- D. The Hearing Officer will make determinations on admissibility.
- E. The Hearing Officer has the authority to dismiss a Hearing Advisor who, in the Hearing Officer's judgment, is badgering or harassing a witness or party. Should the Hearing Officer dismiss a party's Hearing Advisor, the hearing shall be suspended until that party is assigned or obtains a new Hearing Advisor.
- F. The Hearing Officer has the authority to request the attendance of a witness who was not designated by the parties if the Hearing Officer determines the witness may have relevant information.
- G. The role of the Hearing Officer is to determine whether or not there is a finding of a violation of the University's Sexual Misconduct Policy. The finding(s) will be determined using a preponderance of the evidence standard; that is, whether it is more likely than not that a Respondent violated this Policy.

3.1.4 Parties

- A. Complainants and Respondents are precluded from conducting cross-examination personally. The only method for conducting cross-examination is by a party's Hearing Advisor.
- B. Parties shall not address each other during the hearing.
- C. Parties must adhere to the rules of decorum.

3.1.5 Witnesses

- A. Parties are responsible for requesting their witnesses to attend the hearing and securing their witness' attendance. The University cannot compel a witness to attend.

- B. Witnesses must have observed the acts in question or have information relevant to the incident and cannot be participating solely to speak about an individual's character. The Hearing Officer will determine whether to allow a witness to speak at the hearing.
 - C. Witnesses must adhere to the rules of decorum.
 - D. Witnesses may be present in a hearing only during their testimony.
- 3.2 Decorum – During the hearing, all participants are expected to adhere to the following rules of behavior and decorum:
- 3.2.1 All participants should refrain from making disparaging personal remarks or displays of hostility toward opposing parties or advisors.
 - 3.2.2 All participants should refrain from making gestures, facial expressions, audible comments, or the like, as manifestations of approval or disapproval during the testimony of witnesses or a party, or at any other time.
 - 3.2.3 All participants should refrain from interrupting or talking over one another.
 - 3.2.4 All participants shall not engage in conduct that disrupts the orderly operation of the hearing.
 - 3.2.5 Hearing Advisors and the parties shall refrain from making any comments after the Hearing Officer has issued any determination about relevance, admissibility, or other matter.
- 3.3 Hearing Process
- 3.3.1 The hearing will be held in accordance with the process set forth in this Policy.
 - 3.3.2 Standard of Evidence – In all cases before a Hearing Officer, the standard of proof is a preponderance of evidence. A finding of responsibility by a preponderance of the evidence means that it is more likely than not, based on all the reasonable evidence presented, that the Respondent violated this Policy. The burden of proof is on the University. By law, it is presumed that the Respondent is not responsible for the alleged conduct unless a

determination regarding responsibility is made at the conclusion of the grievance process.

- 3.3.3 The general course of the hearing procedure will be as follows, subject to the discretion of the Hearing Officer:
- A. The Hearing Officer will convene the hearing, introduce the individuals present, give a brief description of the process, invite questions about the process, and allow the parties the opportunity to present a brief opening statement.
 - B. The Complainant or the Hearing Advisor for Complainant shall present evidence (including calling and questioning their own witnesses) to the Hearing Officer.
 - C. The Hearing Advisor for the Respondent shall have the opportunity to conduct cross-examination after the Hearing Advisor for the Complainant or the Complainant has completed questioning each of their own witnesses.
 - D. After all the Complainant's witnesses have been examined by both sides, the Respondent or the Hearing Advisor for the Respondent shall have the same opportunity to present their evidence and their own witnesses.
 - E. The Hearing Advisor for the Complainant shall have the opportunity to conduct cross-examination after the Hearing Advisor for the Respondent or the Respondent has completed questioning each of their own witnesses.
 - F. After both parties have presented their witnesses, the Title IX representative may provide testimony and documentation regarding their investigation to the Hearing Officer. The Title IX representative may be questioned by the Hearing Advisors or Hearing Officer.
 - G. The Hearing Officer will allow the parties the opportunity to present a brief closing statement before concluding the hearing.
- 3.3.4 At the request of either party, the University will provide the parties separate rooms and use technology so that the Hearing Officer and parties may simultaneously see and hear the questions. The hearing may also take

place virtually.

3.3.5 An audio and/or video recording of the hearing will be kept for the use of the Hearing Officer and for any appeal. The parties and their Hearing Advisors may request to review the recording.

3.4 Evidence

3.4.1 Evidence that is not relevant or admissible:

- A. Information protected by a legally recognized privilege.
- B. Evidence about a Complainant's prior sexual history cannot be used to prove character or reputation and may only be allowed to prove that someone other than the Respondent committed the alleged conduct or if offered to prove consent.
- C. Any party's medical, psychological, and similar records unless the party has given voluntary written consent or presents the records themselves.
- D. If a party or witness does not submit to cross-examination at the hearing, the Hearing Officer must not rely on any statement of that party or witness in reaching a determination regarding responsibility. The Hearing Officer cannot draw an inference about the determination regarding responsibility based solely on a party's or witness' absence from the hearing or refusal to answer cross-examination or other questions.
- E. Hearsay exceptions such as statements against a party's interest or death or disability of a party or witness are not recognized in Title IX hearings if the party or witness does not submit to cross-examination at the hearing.
- F. Similarly, police reports, SANE reports, medical reports, and other documents and records may not be relied on to the extent they contain the statements of a party or witness who has not submitted to cross-examination.

3.4.2 Evidentiary Exceptions

- A. Statements that have not been subject to cross examination at a hearing may be submitted in the following circumstances:
 - 1. If the evidence involves intertwined statements of both parties (e.g., a text message exchange or e-mail thread) and one party

refuses to submit to cross-examination and the other does submit, the statements of one party cannot be relied on but the statements of the other party may be relied on.

2. Where a Complainant refuses to answer cross-examination questions, but video or other evidence exists showing the underlying incident, the Hearing Officer may still consider the available evidence and make a determination.

3.5 Finding(s) and Written Determination

3.5.1 The Written Determination will contain both the finding(s) and the sanctions or remedies, if applicable, and will be provided to the parties simultaneously.

3.5.2 Sanctions – The sanctions for a finding of a violation of the Sexual Misconduct Policy will be commensurate with the offense and may include, but are not limited to, the following:

- Probation (including disciplinary probation)
- Temporary or permanent ban from campus locations (such as residence hall communities)
- Educational programs such as state-certified batterer’s intervention

3.5.3 If a student is issued a sanction that makes them ineligible to reenroll in the University, the University will include on the student’s transcript a

notation stating that the student is ineligible to reenroll in the University for a reason other than an academic or financial reason.

On the student's request, the University may remove the notation from a student's transcript if the student is eligible to reenroll in the University or the University determines that good cause exists to remove the notation.

- 3.5.4 In accordance with Texas law, the University must terminate an employee who is found to have knowingly failed to make a report of Sexual Misconduct when the Responsible Employee was required to do so or knowingly made a false report of Sexual Misconduct with intent to harm or deceive. Knowingly failing to make a report and knowingly making a false report are criminal offenses under Texas law.
- 3.5.5 Remedies – Regardless of the finding(s), and in addition to sanctions that may be imposed pursuant to the appropriate disciplinary policy, the University will take appropriate action(s) to resolve Formal Complaints of Sexual Misconduct, prevent any recurrence and, as appropriate, remedy any effects. These actions may include, but are not limited to the following:
- Ensuring the Complainant and Respondent do not share classes, working environments, or extracurricular activities;
 - Making modifications to the on-campus living arrangements of a Respondent or Complainant (if the Complainant requests to be moved);
 - Providing comprehensive, services including medical, counseling, and academic support services such as tutoring;
 - Determining whether the Sexual Misconduct adversely affected the Complainant's University standing and providing a remedy for same;
 - In conjunction with University leaders, conducting a University climate check to assess the effectiveness of efforts to ensure that the University is free from Sexual Misconduct, and using that information to inform future proactive steps that the University will take; and
 - Providing targeted group training.
 - These remedies are separate from, and in addition to, any Supportive Measures that may have been provided before the end of the University's investigation. If the Complainant did not take advantage of a specific service (e.g., counseling) when offered as a Supportive

Measure, the Complainant should still be offered, and is still entitled to, appropriate final remedies that may include services the Complainant declined as a Supportive Measure.

3.5.6 Written Determination – The Hearing Officer will provide a Written Determination of responsibility and sanction(s), if applicable, simultaneously to the Title IX Coordinator and the parties. The Written Determination will include the following statements from the Hearing Officer:

- A statement and rationale as to the determination for each allegation; and
- A statement of any disciplinary sanctions imposed on the Respondent and whether any remedies will be provided to the Complainant.
- The Written Determination will also include a description of the procedures and permissible grounds for appeal.

4. APPEAL

4.1 The Complainant and the Respondent(s) both have the right to appeal to the appropriate administrator a Title IX dismissal or Written Determination by submitting their written appeal to the Title IX Coordinator within five (5) business days from the date they receive the Title IX dismissal or Written Determination. The appealing party may appeal the dismissal, finding, sanction, or remedy. The non-appealing party will be notified of the appeal and be permitted to submit a written statement in response within five (5) business days of receiving notice of the appeal.

4.2 Grounds for Appeal – The sole grounds for appeal are:

4.2.1 Procedural irregularity that affected the outcome of the matter;

- 4.2.2 The weight of the evidence does not support or is contrary to the Hearing Officer's determination;
- 4.2.3 New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could significantly affect the outcome of the matter;
- 4.2.4 The Title IX Coordinator, investigator(s), Hearing Officer, or designated representative had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant or Respondent that affected the outcome of the matter;

- 4.2.6 The sanctions are not commensurate with the violation(s) found.
- 4.3 The role of the appropriate administrator is to accept, reject, or remand the Title IX dismissal or Written Determination.
- 4.4 A Written Determination will become final upon the earlier of when:
 - The parties are notified of the appropriate administrator's decision on the appeal; or
 - The time to file an appeal has passed with neither party appealing.
- 4.5 The appropriate administrator will review the record on appeal which may include the investigative file, hearing recording, and appeal documentation from the parties only, and will render a written decision simultaneously to the Title IX Coordinator and the parties within fifteen (15) business days from the date that any response to the appeal is filed, with extensions for good cause allowed.
- 4.6 If the party's appeal includes an appeal of the sanction(s) determined by the Hearing Officer, the appropriate administrator will refer the appeal for further process as follows:
 - 4.6.1 Any appeal to the sanction against a faculty member must be addressed through the University's faculty handbook/manual policies and procedures related to faculty grievances;
 - 4.6.2 Any appeal to the sanction against a non-faculty University employee must be addressed through the University's policies and procedures related to employee grievances; and

- 4.6.3 Any appeal to the sanction against a student must be addressed through the final appeal process in the University's Student Code of Conduct or its equivalent.
- 4.7 If the appropriate administrator extends the fifteen (15) day deadline, they must provide a written explanation to the Title IX Coordinator and the parties in writing by that deadline and every ten (10) business days thereafter.

APPENDIX C – UH System Sexual Misconduct Grievance Procedures

 - 1.1 At the conclusion of an investigation of a Formal Complaint and a determination that the alleged Sexual Misconduct is considered UH System Sexual Misconduct, as defined in this Policy, the investigative report will contain the Title IX investigator’s finding(s) and recommendation. The Complainant and Respondent(s) will have the opportunity, but are not required, to respond to the investigative report in writing in advance of the Title IX investigator’s finding. The Complainant and Respondent(s) should be provided updates on the progress of the investigation and issuance of the report.
 - 1.2 The finding(s) will be determined using a preponderance of the evidence standard; that is, whether it is more likely than not that a Respondent violated this Policy.
 - 1.3 If it is determined that this Policy was violated, appropriate university action will be recommended in an effort to eliminate Sexual Misconduct, prevent its recurrence, and address its effects.
 - 1.4 Even if it is determined that this Policy was not violated, a recommendation may be made that a Respondent undertake educational initiatives and/or trainings.
 - 1.5 The Complainant and the Respondent(s) will be simultaneously notified in writing of the finding(s) and appeal rights under this Policy.
 - 1.6 At any time after a finding has been made that a Respondent has violated the Policy, the University may implement an interim sanction against the Respondent while the Formal Complaint is being further adjudicated.
 - 1.7 Once findings have been made, any party to the Formal Complaint may request to meet with the investigator(s) to discuss the investigation and finding(s), and/or to inspect the investigative file.
2. NEW INFORMATION
 - 2.1 If a party has new information they believe would have significantly impacted the finding(s) (e.g., witness testimony, documents, or other tangible evidence), they may submit that information to the Title IX Coordinator.
 - 2.2 If the Title IX Coordinator determines that the submitted information should be reviewed, and the information was not available for the party to present during the investigation, the case may be re-opened.

- 2.3 The Title IX Coordinator will inform the parties of any new information. The parties will have the opportunity to respond to this information, and the Title IX Coordinator will consider the response(s) in deciding whether to reopen the investigation.

- 3.2 The Complainant and the Respondent(s) both have the right to request a hearing to challenge a finding for any error or procedural defect occurring during the investigation that could have significantly impacted the finding. The individual requesting a hearing will be referred to as the moving party.
- 3.3 A hearing is not a new investigation of the Formal Complaint.
- 3.4 A non-moving party does not have to participate.
- 3.5 If a hearing request is filed in accordance with this Section, the hearing request will automatically be presented to the University’s Hearing Board (“Board”) by the Title IX Coordinator.
- 3.6 The moving party may withdraw a hearing request in writing to the Title IX Coordinator prior to the scheduled start of the hearing. A withdrawn request will conclude the matter.

4. COMPOSITION OF THE BOARD

- 4.1 Members of the Board are selected from recommendations from the University’s Faculty Senate, Staff Council, and Student Affairs departments/offices, who shall each recommend at least five (5) individuals to the University’s President. The President shall then select a Board of eight (8) with representation from each group recommended. Except for the first Board, members shall serve staggered terms of three (3) years.
- 4.2 If a conflict of interest arises for any of the Board members, the Title IX Coordinator will make a recommendation to the Board Chair to reduce or eliminate the conflict of interest.

5. RESPONSIBILITIES OF THE HEARING PANEL/NON-AFFILIATED HEARING OFFICER
- 5.1 If the hearing request concerns Sexual Assault, the moving party may waive their right to a hearing before the Hearing Panel and have their challenge heard by an individual hearing officer not affiliated with the University (“Non-affiliated Hearing Officer”). To waive their right to a Hearing Panel, the moving party must submit written notice to the Title IX Coordinator within five (5) business days of receiving the Title IX investigator’s finding(s).
- 5.2 The Hearing Panel/Non-affiliated Hearing Officer will make decisions using a preponderance of the evidence standard.
- 5.3 The role of the Hearing Panel/Non-affiliated Hearing Officer is to recommend that the appropriate administrator accept, remand, or reject the Title IX investigator’s finding(s).
- 5.4 The Hearing Panel/Non-affiliated Hearing Officer can only recommend remanding the Title IX investigator’s finding(s) if:
- An error or procedural defect occurred during the investigation that could have significantly impacted its finding(s); or
 - Further investigation is warranted for any other material reason.
- 5.5 The Hearing Panel/Non-affiliated Hearing Officer can only recommend rejecting the Title IX investigator’s finding(s) if:
- The weight of the evidence does not support or is contrary to the Title IX investigator’s finding(s); or
 - An error or procedural defect that significantly impacted the finding(s) is discovered and the error cannot be remedied.
- 5.6 While the Hearing Panel/Non-affiliated Hearing Officer will have the opportunity to review any evidence presented at the hearing, their role is not to reinvestigate the original Formal Complaint or to review allegations that would otherwise constitute a new Formal Complaint under this Policy or any other University policy.

6. RESPONSIBILITIES OF THE PERSONAL ADVISOR

- 7.3. The Complainant and Respondent(s) will be notified of the composition of the Hearing Panel or the identity of the Non-affiliated Hearing Officer for their hearing. Within five (5) business days of this notification, the Complainant and Respondent(s) have the opportunity to object in writing to a panel member or the Non-affiliated Hearing Officer for cause. The Title IX Coordinator, in consultation with the members of the Hearing Panel or Non-affiliated Hearing Officer, will consider any objection and replace the panel member or the Non-affiliated Hearing Officer if appropriate.
- 7.4. Both parties may bring one (1) Personal Advisor of their choosing, consistent with *Section 3.14 – Personal Advisor* of this Policy. This advisor may be an attorney provided at the party’s expense.

Once the hearing is scheduled, the process will restart at *Section 5* of these procedures.
