Re: Registration No.: R45950

Dear Ms. Coen:

Enclosed is the Certificate of Registration that lists the specific conditions under which the facility may operate radiation machines. Review the certificate and if any modifications or corrections are required, please inform us immediately. The rules applicable to the facility are listed on the certificate of registration.

X-ray facilities are subject to periodic inspections by this agency to assure that radiation machines are operated in accordance with 25 TAC §289 and authorized conditions of use. Inspection or compliance issues may be directed to the Surveillance Section, Radiation Unit at radiationxrayinspections@dshs.texas.gov.

Copies of regulations and regulatory guides to assist in developing operating and safety procedures are available and may be downloaded from the Department of State Health Services website at <http://www.dshs.texas.gov/radiation>.

If you have questions or need assistance, contact the Agency at (737) 218-7110, or xrayregistration@dshs.texas.gov.

Sincerely,

A handwritten signature in cursive script that reads "Natalie DiMaggio".
