State SCR Voucher – UCT Service Center Processing Procedures

Roles and Responsibilities of Initiating Department

UCT service center (repairs and software purchase) will use the #0000000067 vendor.

1. Initiating department will email the Support Center for a Work Order Request. Include the purpose and benefit in the request.
2. UCT– Technical Services will email the Work Order Request with quote to the initiating department.

3. Initiating department will create the SCR Voucher.

   *UCT must receive the SCR Voucher (approved by the Business Coordinator) within five business days after the Work Order Request was emailed to the initiating department. Otherwise, UCT will close the Work Order.

   **If the initiating department creates a voucher after the Work Order is closed, UCT will deny the voucher and will create a new Work Order. The initiating department will have to delete the old voucher, and create a new one with the new Work Order information.
