External Program Accreditation

The University was last visited for SACS accreditation in April, 2012.

The program is new but plans to apply for APA accreditation as soon as is allowed. The program will submit a self-study and request a site visit in early 2018. If a site visit is granted and the program is later deemed acceptable, the status of "accredited, on contingency" will be awarded. Two years later the program will be awarded (if approved) full accreditation status.
