Résumé

Master's Degree from an Accredited Institution

A combined score of 297 on the Verbal and Quantitative portions of the Graduate Record Examination. (GRE) and a minimum score of 4.0 on the Analytical Writing portion of the GRE. The GRE must have been taken within the last five years.

Letter of Intent - The Letter of Intent, not to exceed 1000 words, should explain why you wish to pursue doctoral-level work in STEM education. Discuss the following topics: your career goals; your research interests as they relate to education; how the program will help you meet your career goals and pursue your research interests. You should also discuss your scholarly and professional accomplishments and your prior work experiences that relate to your interest in, and aptitude for, the graduate program. Focus on your future and how the degree will help you accomplish your long-term goals. Please do not include how you got into the field of education.

Three reference forms - At least one reference must be from a supervisor or other administrator familiar with the applicant's work. If possible, at least one of the Reference Forms should be from a professor involved in the applicant's master's program.

A statement made by the applicant's employer indicating support of the applicant's pursuit of the Ed.D. and willingness to allow Ed.D. fieldwork within the organization should the applicant be admitted to the program. This support must include a degree of work schedule flexibility in order to attend classes and conduct research.
