Definitions: International - denotes a person who is not a citizen or permanent resident of the United States and who is in this country on a temporary basis and does not have the right to remain indefinitely. Residence -the code representing the county, state, or foreign country of which the student is a resident as identified by the student as his/her permanent address at the time of application to the institution. Self-reported information by student.

** Ethnic origin was incorrectly submitted to THECB for Fall 2005 and Spring 2006 due to a Peoplesoft coding issue that has since been corrected. The number of International students should be higher than was reported. Summer terms were not affected.*
