Click Through (CT) Agreements

What is it?
A click through agreement is an online purchase, often for software, where the buyer agrees to the vendor’s terms and conditions by clicking a box or “signing” an online form.

How does UHCL Process it?
Click through agreements are contracts, so UH System legal requires a buyer to prepare and sign a memo, acknowledging that they read and understood the click-through agreement, that it is a must-have agreement that must be accepted as-is, and that they would like to proceed.

Please note that click-through agreements should only be used for low-dollar or no-dollar contracts that in practice cannot be negotiated with the vendor.
