2. Approval of Meeting Notes: First meeting of the year

3. Old Business: none

4. New Business/Announcements

Item 1: Parking Report: Randy Seevers

Randy found this to be an excellent committee, with interesting issues and strong committee members. The committee meets monthly for one hour, and will meet this term on 4th Tuesdays 10-11 AM. Dr. Soma Datta and Mr. Harry Glass are the co-chair. Their most recent meeting included adding two USA representatives to the committee and allowing for co-chairs. They will be considering an increase in parking fees for 2023 (+\$3) and 2024 (+\$3) if the STEM 2 building is approved.

Randy nominated Janice Newsum as the rep for 2021-22. Acceptance moved and seconded, (Kelling, Hamidi), unanimously approved.

Item 2: Consideration of a shelter-in-place protocol for UHCL Campus: Dr. Garland

Chief Russell stated that shelter-in-place is part of the emergency management plan currently being worked on. We have a shelter-in-place notification system (messaging system with instructions), but

there is a lack of familiarity. Chief Russell suggested that he, Al Black, and Dr. Garland should meet to discuss this further and review the documents available online. They will schedule a meeting and then discuss what they come up with at our next meeting
