

# Points of Pride

University of Houston-Clear Lake is a four-year university with more than 80 undergraduate and graduate degree programs and three doctoral programs from its four colleges. UHCL's 68,000 alumni are leaders in a variety of fields and include 10 astronauts, more than 400 CEOs and at least one best-selling author. UHCL is a destination for the arts with approximately 34,000 patrons attending exhibits in the Art Gallery and performances in the Bayou Theater in 2017. For more information, visit [www.uhcl.edu](http://www.uhcl.edu).

# STEM FOCUS

---

## Centers and Institutes

Cyber Security Institute, Center for Robotics Software and Environmental Institute of Houston

## STEM and Classroom Building

121,575-square-foot STEM and Classroom Building opened in fall 2018

## Health Sciences and Classroom Building

69,539-square-foot Health Sciences and Classroom Building opening in spring 2019

## Mechanical Engineering Program

This new program for fall 2018 prepares students for careers in many industries. Mechanical engineers are in high demand – especially in the Houston area. In Texas, the mean annual salary for a mechanical engineer is about 22 percent higher than the rest of the nation (U.S. Department of Labor’s Bureau of Labor Statistics).
