How to Register for One-Click Online Access to your Payment, Premium, Benefit and Claim Information

You’re only a few steps away from gaining online access to your health insurance plan information from Blue Cross and Blue Shield of Texas (BCBSTX), a division of Health Care Service Corporation. To begin, you’ll need to register with Academic HealthPlans (AHP*). From there you’ll be able to link to Blue Access for Members SM, the BCBSTX website for members.

Maximize access to your plan information

To fully access your account, you must complete a registration process to create a login and password. After you have registered, you will be able to view enrollment, benefit and claims information; view or request a member ID card; and much more.

Step 1: Go to ahpcare.com.
Click on Create an Account and have a user name and password ready.
Step 2: Access your student information.
After creating a user name and password, you will be directed to the screen below. When you click on the blue box, the page will be redirected to Step 3.

Step 3: Enter Group and Member IDs.
A second window will pop up in your browser that will show your Group ID and Member ID. (You can also refer to your member ID card for this information.) Click on Login to Blue Access for Members to begin the final process. (This will be a pop-up or new tab.)

Step 4: Agree to Terms of Use.
Please review and acknowledge the Terms of Use. A confirmation screen will appear stating a confirmation email has been sent.
Step 5: Complete user name and password registration.
Complete the Blue Cross and Blue Shield of Texas user name and password/security questions.

Step 6: Complete your Blue Cross and Blue Shield of Texas registration.
Have your Group ID and Member ID ready to complete the registration page.

That’s it! I’m now registered with AHP and will be able to access my BCBSTX health insurance plan information through Blue Access for Members.
