### Transfer Guide Notes

Students are encouraged to follow the Associate of Science in Chemistry or Natural Science degree plan at their community college, which incorporates the foundational Science courses required for the BA Chemistry 7–12 High School Chemistry teacher certification major at UHCL.

\* Any extra Texas Core classes completed may end up satisfying these—check with a [UHCL Transfer Advisor](#) prior to enrolling in any Component Area Option 090 courses. Public Speaking (SPCH/COMM 1315) is recommended for future teachers since it is part of the Teacher Education Program requirements.

### Transfer Credit Limit

UHCL will accept all **58 hours** for the transfer courses listed above toward the BA degree requirements, however students may [apply to transfer](#) at any time. The courses listed above are only provided for those who are attempting to maximize course options at their current community college prior to transferring.

**This bachelor's degree is 125 hours.** The remaining upper-level requirements (**62 hours**) are to be completed through UHCL. The official requirements for this degree may be viewed in the [undergraduate catalog](#).

This degree is part of the [UHCL Teach](#) Program.
