

Post-Baccalaureate Teacher Certification

English Language Arts and Reading/Social Studies 4-8

2017-2018

Please refer to the university catalog for course descriptions, prerequisites, and admission requirements to Teacher Education Program. Any changes made by the University of Houston-Clear Lake or the State of Texas in interpreting the rulings on certification may supersede the requirements of this plan. Students who wish to pursue teacher certification concurrently with a master's degree can enroll in a **Graduate Teacher Certification** program. These students have the option to complete graduate coursework in place of some of the required undergraduate courses (see below). Some of these graduate courses may also apply to a master's degree. Please note that post-baccalaureate students pay undergraduate tuition while graduate students pay graduate tuition regardless of the level of the course.

Post-Baccalaureate Teacher Certification Testing Options

Per the Texas Education Agency (TEA), all individuals are required to pass the appropriate teacher certification exams prior to entering a classroom as a teacher. The University of Houston-Clear Lake (UHCL) provides two testing options for post-degree teacher certification students.

Option 1: Take content state assessments as Pre-Admission Content Tests (PACT) before admission to the Teacher Education Program (TEP).

- Individuals can attempt a PACT up to five times prior to admission to the TEP.
- All required PACTs must be passed prior to or during first semester at UHCL.
- Students are not permitted to fulfill any test preparation requirements prior to taking content state assessments.
- Students are not permitted to participate in any UHCL-sponsored test preparation workshops prior to being admitted to the TEP.
- During the first semester, students must enroll in EDUC 4310, INST 3313 and SILC 4315 and apply to the TEP after passing all required content state assessments as PACTs. (The Texas Education Agency (TEA) does not allow post-degree teacher certification students to take additional course prior to being admitted to the TEP.)
- After admission to the TEP, students can continue to take required coursework.
- For students seeking a 4-8 or 7-12 certification, all content area coursework will be waived. (No coursework will be waived for students seeking an EC-6 certification.)
- Students must meet all current UHCL College of Education (COE) state assessment requirements prior to attempting the Pedagogy and Professional Responsibility state assessment.

Option 2: Take all state assessments after admission to the TEP.

- During the first semester, students must enroll in EDUC 4310, INST 3313 and SILC 4315 and apply to the TEP. (The TEA does not allow post-degree teacher certification students to take additional course prior to being admitted to the TEP.)
- After admission to the TEP, students can continue to take required coursework.
- Students must meet all current UHCL CoE state assessment requirements prior to attempting any state assessment.
