

MS Educational Management Additional Certifications

2017-2018

The goal of the educational management program is to prepare candidates to be effective educational leaders. This student-centered program provides a blend of academic and fieldwork experiences aligned with state and national certification standards to address candidates' career goals. The degree options listed here allow students to earn certifications in addition to principal and TTESS with the MS in Educational Management.

The educational management program is offered **online** as well as at the following locations: the University of Houston-Clear Lake, the University of Houston-Clear Lake Pearland Campus, and in Alief ISD (Taylor High School). Not all options listed here are available in all formats or at all locations. Please contact the College of Education for more information.
