

MS Educational Management

2017-2018

The goal of the educational management program is to prepare candidates to be effective educational leaders. This student-centered program provides a blend of academic and fieldwork experiences aligned with state and national certification standards to address candidates' career goals.

The educational management program is offered **ONLINE** as well as at the following locations: the University of Houston-Clear Lake, the University of Houston-Clear Lake Pearland Campus, and in Alief ISD (Taylor High School).
