ADMISSIONS APPEAL FORM

If you are an undergraduate applicant in either the Office of Admissions or in the Office of International Admissions and Programs and you do not meet regular admission requirements, you may be eligible for further consideration by submitting information that demonstrates potential for college level academic success. Additional consideration may be based on one or more factors, which include: socioeconomic background, parent's level of education, special skills or talents that will enhance the University environment, recent college level academic success and/or the status of a previous school's learning environment.

In order to be reviewed, you must have a completed application on file at UHCL for the current semester that includes the application fee and required transcripts and test scores. You must submit The Admissions Appeals Form directly to the Office of Admissions, at the address on the back of this form, along with a personal statement explaining why you should be reconsidered for admission and the factor(s) you believe form the basis of your request. You are also required to submit at least two (2) letters of support from school counselors, teachers and/or personal references who can confirm that there is reasonable evidence you can succeed academically at University of Houston-Clear Lake.

Requests for reconsideration from applicants who do not have a completed application on file or who fail to include a personal statement and letters of support may not be considered.
