Student Organizations' Travel Regulations

In accordance with University of Houston System Administrative Memorandum #03.E.08 (approved on January 14, 2003) and current UH-Clear Lake student organization policies and procedures, the following regulations apply to all UH-Clear Lake student organization travel; therefore, a copy shall be transmitted to all organizations preparing for a travel event.

1. These regulations apply to any travel by a student organization registered at UH-Clear Lake and any travel in excess of 25 miles that is undertaken by one or more currently-enrolled students that is organized or sponsored by the university and/or a registered student organization.

2. Student travelers must complete an official university waiver and release form, verifying that they understand and accept the risks associated with the travel event and assuming responsibility for their behavior. This waiver must include the identity of the travelers, dates of travel, mode of travel, destination, purpose of trip, signatures of the travelers, and emergency contact information for each traveler. The waiver and release forms must be completed in advance of the trip and a copy of each of the forms must be left on file in the Student Life Office in advance of the trip. Failure to do so may jeopardize reimbursement of expenses from any university account, including Student Government Association funds.

3. Students driving privately owned vehicles for organization travel events must have a valid driver’s license from Texas (or another state), have automobile insurance as mandated by the State of Texas, and the vehicle(s) must have a current state inspection and registration. In addition, drivers must obey all traffic laws and regulations and must not drive under the influence of alcohol or illegal drugs or transport or possess alcoholic beverages, illegal drugs, unauthorized firearms or other types of weapons.

4. Only UH-Clear Lake employees are permitted to drive a vehicle owned or leased by the university. Due to insurance restrictions, no exceptions shall be made to this restriction. Two approved university drivers must be in the vehicle, should rotate driving every two hours, and the second driver should ride in the front passenger seat and remain awake at all times.

5. Drivers and occupants participating in the travel activity must act responsibly and use sound judgment when traveling. Drivers and occupants must wear seat belts at all times. The number of occupants in the vehicle must not exceed the number of seat belts. Drivers and occupants must also ensure that the vehicle manufacturer’s recommended load capacity is not exceeded. Drivers and occupants should carry at least one cellular telephone or other two-way communication device in each vehicle for emergency purposes.

In addition to these UH System regulations, UH-Clear Lake student organizations are required to complete and submit a Request for Approval of Special Event / Request for SGA Funding form in accordance with organization policies. For more information on travel regulations, consult with the Coordinator of Student Life well in advance of the event.
