

# AGENDA

## ONE DAY MINI

JUNE 7<sup>th</sup>, 2023

10:00 AM – 3:00 PM

10:00 - **Welcome & Introductions** - Diana Nores, Director, Testing, UH Clear Lake

*Welcome back to UHCL! Let's share our latest news. New to the Mini? Let's get to know each other and discover how this group can help you.*

10:30 - **Prior Learning Assessment: Opportunities and Processes** - Cindi Robinson, Coordinator, Pathways and Articulation, Alvin Community College & Kevin Morris, Dean, Business and Technology, San Jacinto College

*This panel will share PLA frameworks, processes, best practices, and partnerships with other institutions that, help students apply their knowledge and achievement towards credits in their specialized college courses, and thus advance their studies, minimize costs, and enhance their learning experience.*

11:15 - **Best Practices in Communicating with Students, Parents, Counselors and Colleagues about: TSIA2 Pre-Assessments, Vouchers and Test Scores reporting** - Patrick N. Daniel, Director, Testing Services, University of Houston

*TSIA2: Pre-Assessment Completion? What strategies are we using? How do we ensure compliance? What types of vouchers and payment options are there (Student pays/Institution pays or combination for remote proctoring)? How do institutions handle test score requests? These questions have many answers that will help us navigate our students from one education level to the next.*

12:00 - **Lunch-n-network**

1:00 - **Guaranteed 5 - A TSIA2 Essay Success Recipe** - Kristy Bush, M.Ed., Connect and Create Resilience

*Secret sauce to pass the TSIA2 essay? Yes, please! Join Kristi Bush to learn how to help your students achieve an essay score of 5 or higher with a few well-placed exercises, and implement the strategies on your campus.*

2:00 - **CLEP & TSIA2 Updates** - Diana Nores on behalf of Gini Beran ([gberan@collegeboard.org](mailto:gberan@collegeboard.org)) and Kathie Montognese ([kmontognese@collegeboard.org](mailto:kmontognese@collegeboard.org)) of CollegeBoard.

*Updates and "good-to-knows" fresh from the pros. Leading question - how is CLEP relevant in high school?*

2:45 - **Closing remarks** - Diana Nores, Director, Testing, UH Clear Lake
