## BOARD OF DIRECTORS

Dear fellow Alumni,

A new academic year is upon us and this year started with some major milestones for UHCL. This semester we welcomed our largest freshman class and officially hit 81,000 alumni. In a few weeks, we will be celebrating UHCL's 50th anniversary and the accomplishments of

our honorees at the 50th Gala and Alumni Celebration.

The start of a new academic year is also an opportunity for a restart, a refresh, a refocus. The UHCL Alumni Association has completed its board restructuring and installed a new [Board of Directors](#). The Alumni Association will continue collaborating with university leadership to achieve our objectives while aligning with key initiatives. This academic year, a major focus will be on student engagement. I'm truly honored to serve as the chair of this diverse and accomplished Board of Directors

To my fellow Alumni in Austin, Dallas, New York and Washington DC, I want to highlight our upcoming [Regional Events](#) with the President where you will have the opportunity to reconnect with fellow alumni, share your experiences, and hear about the exciting developments and future initiatives at UHCL. Close to home, look out for [Halloween and Fall community events](#) at our Clear Lake and Pearland campuses.

Finally, the Board of Directors and I are at your service and look forward to your engagement and support.

Go Hawks!

Sincerely,

Kanch Weerasinghe '98 BS, '00 MS
