

How to Login to Your UHCL WebMail – www.webmail.uhcl.edu

1. Enter your domain\user id combination.

- For all UHCL faculty and staff the domain is UHCL.
- For all students, the domain is PCLAB.

Examples:

- UHCL\Employee
- PCLAB\Student

2. Enter your password.

3. Click the Sign in button or press Enter on your keyboard.

4. If this is the first time you've logged in to WebMail, you will be presented with an options screen.

- If you are visually impaired or would prefer larger text and a high-contrast color scheme, check the box labeled "Use the blind and low vision experience."
- Select the language. This will change the menus and help files inside WebMail to the desired language. It does not translate email messages.
- Select your time zone (UHCL is located in the Central Time zone [UTC -6:00]).
- Click the "OK" button.

Confirm answer to the question above (Required).

Calendar, Addressbook, and Tasks

You will find the icons for your Outlook Calendar, Outlook Address Book, and your Tasks by clicking on the icon that looks like the one on the left.

Change Appearance of Your Calendar and Theme for your Email Screen

Click on the "Gear" icon to customize how your calendar appears such as which days of the week to show to include or exclude Saturday/Sunday, what increments for your appointments, and what day of the week you want your calendar to begin.

There are 50 different themes that you can also choose from to personalize your Webmail screens. The themes range from specific color, pattern or graphic.

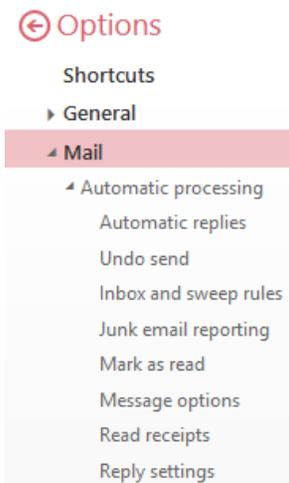

Forward Your Email

Before you set up email forwarding, you will need to add the email address you want to forward your UHCL email to into your Contacts list if it's not already there. To do this:

Click on this icon  and select "People" to access your Contacts and click on the + New to add the address. Click on that same icon again to go back to your Mail.

Click on the "Gear" icon and select Options Select Inbox and Sweep Rules
Click on the + to create a new rule Name the rule
Select "Apply to all messages"
Under "Do all of the Following", select "Forward the message to..."
Search for the address you want and click the + next to the name.
You'll see at the top of the screen that it says "Forward the message to..."
If all is correct, click Save

Sign Off Webmail

Click on the icon on the left to log out of your Webmail account or to open another mailbox if you are the owner of multiple mailboxes.
