FREE APPLICATION for FEDERAL STUDENT AID

July 1, 2020 – June 30, 2021

Federal Student Aid  
An OFFICE of the U.S. DEPARTMENT of EDUCATION

PROUD SPONSOR of  
the AMERICAN MIND<sup>®</sup>

Use this form to apply free for federal and state student grants, work-study, and loans.

Or apply free online at [fafsa.gov](http://fafsa.gov).

## Apply by the Deadlines

For federal aid, submit your application as early as possible, but no earlier than October 1, 2019. We must receive your application no later than June 30, 2021. Your college must have your correct, complete information by your last day of enrollment in the 2020-2021 school year.

For state or college aid, the deadline may be as early as October 2019. See the table to the right for state deadlines. You may also need to complete additional forms.

Check with your high school counselor or a financial aid administrator at your college about state and college sources of student aid and deadlines.

If you are filing close to one of these deadlines, we recommend you file either online at [fafsa.gov](http://fafsa.gov) or via the myStudentAid mobile app. These are the fastest and easiest ways to apply for aid.

## Use Your Tax Return

We recommend that you complete and submit your FAFSA form as soon as possible on or after October 1, 2019. The easiest way to complete or correct your FAFSA form with accurate tax information is by using the IRS Data Retrieval Tool either through [fafsa.gov](http://fafsa.gov) or the myStudentAid mobile app. In a few simple steps, most students and parents who filed a 2018 tax return can transfer their tax return information directly into their FAFSA form.

If you (or your parents) have missed the 2018 tax filing deadline of April 2019, and still need to file a 2018 income tax return with the Internal Revenue Service (IRS), you should submit your FAFSA form now using estimated tax information, and then you **must correct** that information **after you file** your return.

**Note:** Both parents or both the student and spouse may need to report income information on the FAFSA form if they did not file a joint tax return for 2018. For assistance with answering the income information questions in this situation, call 1-800-4-FED-AID (1-800-433-3243).

## Fill Out the FAFSA<sup>®</sup> Form

If you or your family experienced significant changes to your financial situation (such as loss of employment), or other unusual circumstances (such as tuition expenses at an elementary or secondary school or high unreimbursed medical or dental expenses), complete this form to the extent you can and submit it as instructed. Consult with the financial aid office at the college(s) you applied to or plan to attend.

For help in filling out the FAFSA form, go to [StudentAid.gov/completedefafsa](http://StudentAid.gov/completedefafsa) or call 1-800-433-3243. TTY users (for the hearing impaired) may call 1-800-730-8913.

Fill the answer fields directly on your screen or print the form and complete it by hand. Your answers will be read electronically; therefore, if you complete the form by hand:

- use black ink and fill in circles completely: Correct ● Incorrect ⊗ ⊕
- print clearly in CAPITAL letters and skip a box between words:  
1 5 E L M S T
- report dollar amounts (such as \$12,356.41) like this:  
\$ 1 2 3 5 6 no cents

Orange is for student information and purple is for parent information.

## Mail Your FAFSA<sup>®</sup> Form

After you complete this application, make a copy of pages 3 through 8 for your records. Then mail the original of pages 3 through 8 to:

**Federal Student Aid Programs, P.O. Box 7650, London, KY 40742-7650.**

After your application is processed, you will receive a summary of your information in your *Student Aid Report* (SAR). If you provide an e-mail address, your SAR will be sent by e-mail within three to five days. If you do not provide an e-mail address, your SAR will be mailed to you within three weeks. If you would like to check the status of your application, go to [fafsa.gov](http://fafsa.gov) or call 1-800-433-3243.

STATE AID DEADLINES

# What is the FAFSA® form?

## Why fill out a FAFSA form?

The **Free Application for Federal Student Aid** (FAFSA) is the first step in the financial aid process. You use the FAFSA form to apply for federal student aid, such as grants, work-study, and loans. In addition, most states and colleges use information from the FAFSA form to award nonfederal aid.

## Why all the questions?

Most of the questions on the FAFSA form are required to calculate your Expected Family Contribution (EFC). The EFC measures your family's financial strength and is used to determine your eligibility for federal student aid. Your state and the colleges you list may also use some of your responses. They will determine if you may be eligible for school or state aid, in addition to federal aid.

## How do I find out what my Expected Family Contribution (EFC) is?

Your EFC will be listed on your *Student Aid Report* (SAR). Your SAR summarizes the information you submitted on your FAFSA form. It is important to review your SAR to make sure all of your information is correct and complete. Make corrections or provide additional information, as necessary.

## How much student financial aid will I receive?

Using the information on your FAFSA form and your EFC, the financial aid office at your college will determine the amount of aid you will receive. The college will use your EFC to prepare a financial aid package to help you meet your financial need. Financial need is the difference between the cost of attendance (which can include living expenses), as determined by your college, and your EFC. If you are eligible for a Federal Pell Grant, you may receive it from only one college for the same period of enrollment. If you or your family have unusual circumstances that should be taken into account, contact your college's financial aid office. Some examples of unusual circumstances are: unusual medical or dental expenses or a large change in income from 2018 to this year.

## When will I receive the student financial aid?

Any financial aid you are eligible to receive will be paid to you through your college. Typically, your college will first use the aid to pay tuition, fees and room and board (if provided by the college). Any remaining aid is paid to you for your other educational expenses.

## How can I have more colleges receive my FAFSA form information?

If you are completing a paper FAFSA form, you can only list four colleges in the school code step. You may add more colleges by doing one of the following:

- After your FAFSA form has been processed, go to **fafsa.gov**, log in to the site, and follow the instructions for correcting your FAFSA form.
- Use the *Student Aid Report* (SAR), which you will receive after your FAFSA form is processed. Your Data Release Number (DRN) verifies your identity and will be listed on the first page of your SAR. You can call 1-800-433-3243 and provide your DRN to a customer service representative, who will add more school codes for you.
- Provide your DRN to the financial aid administrator at the college you want added, and he or she can add their school code to your FAFSA form.

**Note:** Your FAFSA record can only list up to ten school codes. If there are ten school codes on your record, each new code will need to replace one of the school codes listed.

## Where can I receive more information on student financial aid?

The best place for information about student financial aid is the financial aid office at the college you plan to attend. The financial aid administrator can tell you about student aid available from your state, the college itself and other sources.

- You can also visit our web site **StudentAid.gov**.
- For information by phone you can call our Federal Student Aid Information Center at 1-800-433-3243. TTY users (for the hearing impaired) may call 1-800-730-8913.
- You can also check with your high school counselor, your state aid agency or your local library's reference section.

Information about other nonfederal assistance may be available from foundations, faith-based organizations, community organizations and civic groups, as well as organizations related to your field of interest, such as the American Medical Association or American Bar Association. Check with your parents' employers or unions to see if they award scholarships or have tuition assistance plans.

## Information on the Privacy Act and use of your Social Security Number

We use the information that you provide on this form to determine if you are eligible to receive federal student financial aid and the amount that you are eligible to receive. Sections 483 and 484 of the Higher Education Act of 1965, as amended, give us the authority to ask you and your parents these questions, and to collect the Social Security Numbers of you and your parents. We use your Social Security Number to verify your identity and retrieve your records, and we may request your Social Security Number again for those purposes.

State and institutional student financial aid programs may also use the information that you provide on this form to determine if you are eligible to receive state and institutional aid and the need that you have for such aid. Therefore, we will disclose the information that you provide on this form to each institution you list in questions 101a - 101h, state agencies in your state of legal residence and the state agencies of the states in which the colleges that you list in questions 101a - 101h are located.

If you are applying solely for federal aid, you must answer all of the following questions that apply to you: 1-9, 14-16, 18, 21-23, 26, 28-29, 32-58, 60-67, 69, 72-100, 102, and 103. If you do not answer these questions, you will not receive federal aid.

Without your consent, we may disclose information that you provide to entities under a published "routine use." Under such a routine use, we may disclose information to third parties that we have authorized to assist us in administering the above programs; to other federal agencies under computer matching programs, such as those with the Internal Revenue Service, Social Security Administration, Selective Service System, Department of Homeland Security, Department of Justice and Veterans Affairs; to your parents or spouse; and to members of Congress if you ask them to help you with student aid questions.

If the federal government, the U.S. Department of Education, or an employee of the U.S. Department of Education is involved in litigation, we may send information to the Department of Justice, or a court or adjudicative body, if the disclosure is related to financial aid and certain conditions are met. In addition, we may send your information to a foreign, federal, state, or local enforcement agency if the information that you submitted indicates a violation or potential violation of law, for which that agency has jurisdiction for investigation or prosecution. Finally, we may send information regarding a claim that is determined to be valid and overdue to a consumer reporting agency. This information includes identifiers from the record; the amount, status and history of the claim; and the program under which the claim arose.

## State Certification

By submitting this application, you are giving your state financial aid agency permission to verify any statement on this form and to obtain income tax information for all persons required to report income on this form.

The obligation to respond to this collection is voluntary. If you have comments or concerns regarding the status of your individual submission of this form, please contact the Federal Student Aid Information Center, P.O. If you want more schools to receive your FAFSA information, read **What is the FAFSA form?** on page 2. All of the information you included on your FAFSA form, *with the exception of the list of colleges*, will be sent to each of the colleges you listed. In addition, all of your FAFSA information, *including the list of colleges*, will be sent to your state grant agency. For federal student aid purposes, it does not matter in what order you list your selected schools. However, the order in which you list schools may affect your eligibility for state aid. Consult your state agency or **StudentAid.gov/order** for details.

**Notes for question 8 (page 3)**

Enter your Social Security Number (SSN) as it appears on your Social Security card. If you are a resident of one of the Freely Associated States (i.e., the Republic of Palau, the Republic of the Marshall Islands, or the Federated States of Micronesia) and were issued an identification number beginning with "666" when submitting a FAFSA form previously, enter that number here. If you are a first-time applicant from one of the Freely Associated States, enter "666" in the first three boxes of the Social Security Number field and leave the remaining six positions blank, and we will create an identification number to be used for federal student aid purposes. Do not enter an Individual Taxpayer Identification Number (ITIN) in the Social Security Number field.

**Notes for questions 14 and 15 (page 3)**

If you are an eligible noncitizen, write in your eight- or nine-digit Alien Registration Number. Generally, you are an eligible noncitizen if you are (1) a permanent U.S. resident with a Permanent Resident Card (I-551); (2) a conditional permanent resident with a Conditional Green Card (I-551C); (3) the holder of an Arrival-Departure Record (I-94) from the Department of Homeland Security showing any one of the following designations: "Refugee," "Asylum Granted," "Parolee" (I-94 confirms that you were paroled for a minimum of one year and status has not expired), T-Visa holder (T-1, T-2, T-3, etc.) or "Cuban-Haitian Entrant;" or (4) the holder of a valid certification or eligibility letter from the Department of Health and Human Services showing a designation of "Victim of human trafficking."

If you are in the U.S. and have been granted Deferred Action for Childhood Arrivals (DACA), an F1 or F2 student visa, a J1 or J2 exchange visitor visa, or a G series visa (pertaining to international organizations), select "No, I am not a citizen or eligible noncitizen." You will not be eligible for federal student aid. If you have a Social Security Number but are not a citizen or an eligible noncitizen, including if you have been granted DACA, you should still complete the FAFSA form because you may be eligible for state or college aid.

**Notes for questions 16 and 17 (page 3)**

Report your marital status as of the date you sign your FAFSA form. If your marital status changes after you sign your FAFSA form, check with the **financial aid office at the college**.

**Notes for questions 21 and 22 (page 3)**

To be eligible for federal student aid, male citizens and male immigrants residing in the U.S. aged 18 through 25 are required to register with the Selective Service System, with limited exceptions. The Selective Service System and the registration requirement applies to any person assigned the sex of male at birth (see [www.sss.gov/Registration-Info/Who-Registration](http://www.sss.gov/Registration-Info/Who-Registration)). The Selective Service System and the registration requirement for males preserves America's ability to provide resources in an emergency to the U.S. Armed Forces. For more information about the Selective Service System, visit [sss.gov](http://sss.gov). Forms are available at your local U.S. Post Office.

Net worth means the current value, as of today, of investments, businesses, and/or investment farms, minus debts related to those same investments, businesses, and/or investment farms. When calculating net worth, use 0 for investments or properties with a negative value.

**Investments include** real estate (do not include the home in which you live), rental property (includes a unit within a family home that has its own entrance, kitchen, and bath rented to someone other than a family member), trust funds, UGMA and UTMA accounts, money market funds, mutual funds, certificates of deposit, stocks, stock options, bonds, other securities, installment and land sale contracts (including mortgages held), commodities, etc.

**Investments also include** qualified educational benefits or education savings accounts (e.g., Coverdell savings accounts, 529 college savings plans and the refund value of 529 prepaid tuition plans). For a student who does not report parental information, the accounts owned by the student (and/or the student's spouse) are reported as student investments in question 41. For a student who must report parental information, the accounts are reported as parental investments in question 89, including all accounts owned by the student and all accounts owned by the parents for any member of the household.

**Money received, or paid on your behalf**, also includes distributions to you (the student beneficiary) from a 529 plan that is owned by someone other than you or your parents (such as your grandparents, aunts, uncles, and non-custodial parents). You must include these distribution amounts in question 44i.

**Investments do not include** the home you live in, the value of life insurance, ABLE accounts, retirement plans (401[k] plans, pension funds, annuities, non-education IRAs, Keogh plans, etc.) or cash, savings and checking accounts already reported in questions 40 and 88.

**Investments also do not include** UGMA and UTMA accounts for which you are the custodian, but not the owner.

Investment value means the current balance or market value of these investments as of today. Investment debt means only those debts that are related to the investments.

**Business and/or investment farm value includes** the market value of land, buildings, machinery, equipment, inventory, etc. Business and/or investment farm debt means only those debts for which the business or investment farm was used as collateral.

For small business value, your family includes (1) persons directly related to you, such as a parent, sister or cousin, or (2) persons who are or were related to you by marriage, such as a spouse, stepparent or sister-in-law.

**Investment farm value does not include** the value of a family farm that you (your spouse and/or your parents) live on and operate.

**Notes for question 48 (page 5)**

Answer "**Yes**" if you are currently serving in the U.S. Armed Forces or are a National Guard or Reserves enlistee who is on active duty for other than state or training purposes.

Answer "**No**" if you are a National Guard or Reserves enlistee who is on active duty for state or training purposes.

**Notes for question 49 (page 5)**

Answer "**Yes**" (you are a veteran) if you (1) have engaged in active duty (including basic training) in the U.S. Armed Forces, or are a National Guard or Reserves enlistee who was called to active duty for other than state or training purposes, or were a cadet or midshipman at one of the service academies, **and** (2) were released under a condition other than dishonorable. Also answer "**Yes**" if you are not a veteran now but will be one by June 30, 2021.

Answer "**No**" (you are not a veteran) if you (1) have never engaged in active duty (including basic training) in the U.S. Armed Forces, (2) are currently an ROTC student or a cadet or midshipman at a service academy, (3) are a National Guard or Reserves enlistee activated only for state or training purposes, or (4) were engaged in active duty in the U.S. Armed Forces but released under dishonorable conditions.

Also answer "**No**" if you are currently serving in the U.S. Armed Forces and will continue to serve through June 30, 2021.

**Notes for question 52 (page 5)**

Answer **"Yes"** if at any time since you turned age 13:

- You had no living parent, even if you are now adopted; or
- You were in foster care, even if you are no longer in foster care today; or
- You were a dependent or ward of the court, even if you are no longer a dependent or ward of the court today. For federal student aid purposes, someone who is incarcerated is not considered a ward of the court.

If you are not sure if you were in foster care, check with your state child welfare agency. You can find that agency's contact information at [childwelfare.gov/nfcad](http://childwelfare.gov/nfcad).

The financial aid administrator at your school may require you to provide proof that you were in foster care or a dependent or ward of the court.

**Notes for questions 53 and 54 (page 5)**

The definition of legal guardianship does not include your parents, even if they were appointed by a court to be your guardians. You are also not considered a legal guardian of yourself.

Answer **"Yes"** if you can provide a copy of a court's decision that as of today you are an emancipated minor or are in legal guardianship. Also answer **"Yes"** if you can provide a copy of a court's decision that you were an emancipated minor or were in legal guardianship immediately before you reached the age of being an adult in your state. The court must be located in your state of legal residence at the time the court's decision was issued.

Answer **"No"** if you are still a minor and the court decision is no longer in effect or the court decision was not in effect at the time you became an adult. Also answer **"No"** and contact your school if custody was awarded by the courts and the court papers say "custody" (not "guardianship").

The financial aid administrator at your college may require you to provide proof that you were an emancipated minor or in legal guardianship.

**Notes for questions 55–57 (page 5)**

Answer **"Yes"** if you received a determination at any time on or after July 1, 2019, that you were an unaccompanied youth who was homeless or at risk of being homeless.

- **"Homeless"** means lacking fixed, regular and adequate housing. You may be homeless if you are living in shelters, parks, motels, hotels, public spaces, camping grounds, cars, abandoned buildings, or temporarily living with other people because you have nowhere else to go. Also, if you are living in any of these situations and fleeing an abusive parent, you may be considered homeless even if your parent would otherwise provide a place to live.
- **"Unaccompanied"** means you are not living in the physical custody of your parent or guardian.

Answer **"No"** if you are not homeless or at risk of being homeless, or do not have a determination. However, even if you answer **"No"** to each of questions 55, 56, and 57, you should contact the financial aid administrator at the college you plan to attend if you are either (1) homeless and unaccompanied or (2) at risk of being homeless, unaccompanied, and providing for your own living expenses - as your college financial aid office can determine that you are "homeless" and are not required to provide parental information.

The financial aid administrator at your college may require you to provide a copy of the determination if you answered **"Yes"** to any of these questions.

**Notes for students unable to provide parental information on pages 6 and 7**

Under very limited circumstances (for example, your parents are incarcerated; you have left home due to an abusive family environment; or you do not know where your parents are and are unable to contact them), you may be able to submit your FAFSA form without parental information. **If you are unable to provide parental information**, skip Steps Four and Five, and go to Step Six. Once you submit your FAFSA form without parental data, **you must follow up with the financial aid office at the college you plan to attend**, in order to complete your FAFSA form.

**Notes for Step Four, questions 58–92 (pages 6 and 7)**

Review all instructions below to determine who is considered a parent on this form:

- If your parent was never married and does not live with your other legal parent, or if your parent is widowed and not remarried, answer the questions about that parent.
- If your legal parents (biological, adoptive, or as determined by the state [for example, if the parent is listed on the birth certificate]) are not married to each other and **live together**, select "Unmarried and both legal parents living together" and provide information about both of them regardless of their gender. Do not include any person who is not married to your parent and who is not a legal or biological parent. Contact 1-800-433-3243 for assistance in completing questions 79-92, or visit [StudentAid.gov/fafsa-parent](http://StudentAid.gov/fafsa-parent).
- If your legal parents are married, select "Married or remarried." If your legal parents are divorced but living together, select "Unmarried and both legal parents living together." If your legal parents are separated but living together, select "Married or remarried," not "Divorced or separated."
- If your parents are divorced or separated, answer the questions about the parent you lived with more during the past 12 months. (If you did not live with one parent more than the other, give answers about the parent who provided more financial support during the past 12 months or during the most recent year that you actually received support from a parent.) **If this parent is remarried as of today, answer the questions about that parent and your stepparent.**
- If your widowed parent is remarried as of today, answer the questions about that parent and your stepparent.

**Notes for questions 83 (page 6) and 100 (page 8)**

In general, a person may be considered a dislocated worker if he or she:

- is receiving unemployment benefits due to being laid off or losing a job and is unlikely to return to a previous occupation;
- has been laid off or received a lay-off notice from a job;
- was self-employed but is now unemployed due to economic conditions or natural disaster; or
- is the spouse of an active duty member of the Armed Forces and has experienced a loss of employment because of relocating due to permanent change in duty station; or
- is the spouse of an active duty member of the Armed Forces and is unemployed or underemployed, and is experiencing difficulty in obtaining or upgrading employment; or
- is a displaced homemaker. A displaced homemaker is generally a person who previously provided unpaid services to the family (e.g., a stay-at-home mom or dad), is no longer supported by the spouse, is unemployed or underemployed, and is having trouble finding or upgrading employment.

Except for the spouse of an active duty member of the Armed Forces, if a person quits work, generally he or she is not considered a dislocated worker even if, for example, the person is receiving unemployment benefits.

Answer **"Yes"** to question 83 if your parent is a dislocated worker. Answer **"Yes"** to question 100 if you or your spouse is a dislocated worker.

Answer **"No"** to question 83 if your parent is not a dislocated worker. Answer **"No"** to question 100 if neither you nor your spouse is a dislocated worker.

Answer **"Don't know"** to question 83 if you are not sure whether your parent is a dislocated worker. Answer **"Don't know"** to question 100 if you are not sure whether you or your spouse is a dislocated worker. You can contact your financial aid office for assistance in answering these questions.

The financial aid administrator at your college may require you to provide proof that your parent is a dislocated worker, if you answered **"Yes"** to question 83, or that you or your spouse is a dislocated worker, if you answered **"Yes"** to question 100.
