

BayTech Cyber Security Training Grant

Free Training for unemployed military veterans, dislocated aerospace workers, and other dislocated individuals who possess the education and experience required. Only participants that commit to completing the course will be accepted.

24 Seats Available

Education and Experience Requirements

- a) Previous education/experience in computer technologies, including networking, IT, systems administration, computer science, etc.
- b) Some college – Community college, 4 year college, in the study of technologies.
- c) Two or more years of work experience in maintaining information systems or networks.
- d) Output will make workers ready for technical security work in the IT field, so aptitude and experience with technology is more important than degrees or certifications.

Location for Training

Classes will take place at either University of Houston – Clear Lake or University of Houston Main campus as well as two weeks at San Jacinto College – location TBD.
