

Dear Parents,

To insure the safety of all the students attending Kids U we have a policy that requires that they are checked-in at the beginning of camp each day, and signed out by the parent or designee at the end of each day.

For the SAT Writing class we will allow the students, grades 8 through 12, to check-in and sign themselves out daily only if we have your permission. This form must be signed by you and returned to us prior to the first class.

Thank you for helping us assure the safety of all children.

Sincerely,
Roberta Raymond, Director
Center for Educational Programs

My child _____ has my permission to check in and to sign themselves out and walk to my car on their own.
