# UHCL KidsU Summer 2026 – Clear Lake

## BEFORE AND AFTER CARE

Clear Lake Campus ONLY

Our Before and After Care program provides a relaxed, safe environment for campers outside of regular camp hours.

Each session begins with outdoor play (weather permitting), giving students time to move, socialize, and unwind. Campers are also provided a snack and drink to help recharge after a full day of activities.

Following snack and outdoor time, students may choose from a variety of self-directed activities including:

- Arts & crafts
- Board and group games
- Reading
- Television/movies
- Quiet free-play options

This time is intentionally unstructured and student led. While staff members actively supervise to ensure safety and positive behavior, activities are not teacher-directed or instructional. Our goal is to provide campers with a comfortable space to relax, connect with friends, and choose how they'd like to spend their time.

**Before care is provided 7:30-8:15 AM, Monday - Friday:** Campers will remain in the center each morning and walked to their class at 8:15. Campers are welcome to bring breakfast and eat in the center dining area. **\$15/week**

**After care provided 3:00 – 5:30 PM, Monday - Friday:** Campers will be picked up from their PM class and brought to the center where they will be provided a snack and supervised. Campers are welcome to pack an additional snack to eat after camp. **\$40/week**
