Featured Keynote Speaker
Dr. Kenn Heydrick

Dr. Kenn Heydrick is a passionate educator who has 35 years of experience focusing on curriculum alignment, assessment, and inquiry-based instruction. Prior to being a consultant, Kenn served in the education world in a number of leadership positions, including serving as the Director of Science Curriculum for the Texas Education Agency. He also has served as a district-level science coordinator (15 years), a high school science teacher (10 years), and most recently, as a university professor coordinating STEM programs (5 years).
