## How to Self-Enroll in the COE MAT TEP Admission Blackboard Workgroup

UHCL has several cases in which Blackboard is used to deliver and/or support non-credit classes, support campus committees, or to provide resources to various groups and users across the campus. We refer to these instances as Blackboard "workgroups." Some workgroups enable users to self-enroll as Students in the workgroup. This tutorial will demonstrate how to locate a workgroup with the self-enroll option and how to add yourself to it as a Student. Self-enroll is not used for any credit courses.

To apply to the MAT Teacher Education Program (TEP) at UHCL you must complete the application steps in the *MAT TEP Admission* Blackboard workgroup. You will not be admitted to MAT TEP until you have: 1) met all requirements, 2) completed all application steps in the blackboard course, 3) received your admission email, and 4) *accepted your admission via email reply*.
