School Counselor candidates must also meet the following requirements.

- Hold a valid Texas Teaching certificate
- Hold a master's degree from an approved accredited institution
- Complete all courses required for the certification listed on this plan
- Pass the School Counselor TExES State Assessment
- Submit Teacher Service Record to verify 2 years of successful, full-time teaching in a TEA-approved school

Upon completion of the degree, it is the candidate's responsibility to apply for certification online **AFTER** the degree is conferred and all other requirements are met.

Application for certification can be made at <http://tea.texas.gov>.
