These are full-length paper-and-pencil practice tests published by Educational Testing Service (ETS), which are scored immediately upon completion. You will complete a score analysis after your practice test has been scored, and you will be able to read the answer rationales after you complete a practice test (exceptions: There are no answer rationales for Art EC-12 and Bilingual Supplemental practice tests).

All practice tests are free for UHCL students and UHCL alumni; \$50 per test for non-UHCL students; \$10 per subject-area test of the Core Subjects TExES (**exact cash or check only**).

Reservations are not taken—just show up any time within the designated time frame, but make sure you can finish in time to complete a score analysis and read through the answer rationales. Finishing time is strictly enforced.

All supplies are provided.
