How to Self-enroll in the COE Advanced Certification Program Admission Workgroup at UHCL

UHCL has several cases in which Blackboard is used to deliver and/or support non-credit classes, support campus committees, or to provide resources or training to various groups and users across the campus. We refer to these instances as Blackboard “workgroups.” Some workgroups enable users to self-enroll as Students. This tutorial will demonstrate how to locate the COE Advanced Certification Program Admission course with the self-enroll option and how to add yourself to it as a Student. **NOTE: Self-enroll is NOT used for any credit courses nor is it used for all workgroups.**
