

Prescribed Fire Awareness Workshop

February 16, 2019, 10 AM to 3 PM

Environmental Institute of Houston

2700 Bay Area Blvd.

Houston, TX 77058

Presented by

Environmental Institute of Houston & Texas Parks & Wildlife Department, Wildlife Division

We have planned an exciting **Prescribed Fire Awareness Workshop** for landowners, students and community members with limited exposure to prescribed fire. We will cover many topics in the classroom.

To make this workshop more effective, Texas Parks and Wildlife Department (TPWD) has partnered with the Environmental Institute of Houston. We plan to conduct an actual **prescribed fire**, pending good burning conditions. Workshop attendees will be encouraged to be participants, not just be spectators.

Please RSVP by 2/11/2019
