The Katy Prairie Conservancy is
a nonprofit land trust dedicated
to preserving an ecologically vital
tallgrass prairie and associated
wetlands area on Houston's far
west side for the enjoyment and
benefit of all.

Your tax deductible donation
helps us save more land and
provide public programming.

Explore Houston's Wild West Side

Imagine a place where families, hikers, bikers, and nature lovers can enjoy a rich mosaic of natural wonders. Where shallow wetlands sustain huge flocks of ducks and geese; sycamore-lined bayous shelter abundant river otters, turtles, and frogs; and fields of native grasses and wildflowers sway in the gentle Gulf breeze.

The Katy Prairie is such a place and the Katy Prairie Conservancy is working to keep it that way for all Texans forever.
