University of Houston  Clear Lake

PROJECT HOPE
Honoring Other People’s Experiences

Delivery, discussion and exposure opportunities available.

Office of Equity, Diversity, Inclusion and Title IX
THREE MAIN INGREDIENTS

- Identifying the urgency of **transformative purpose** in our Inclusive Leadership Excellence.
- The **representation of a shift**, not in the essence of our existence, but in how we communicate it and carry it out.
- **Platinum Rule Engagement**: doing unto others as they would have done unto them, not what we want done unto them.
