

2017-2018 Special Election Vice-Presidential Nominees:

Mary Margaret Garcia

My name is Margaret Garcia and I have been with the UH System for 21 years. I am interested in serving on the USA Executive Board to further my involvement in the UHCL community. My passion is to get involved and helping others and to promote positive spirit among our faculty, staff, and students. I believe my experience as SSA President and ESA President will help me in this role if I am selected. Thank you so much for this opportunity!

Laura Wilder

I would be honored to serve out the remainder of the 2017-2018 University Staff Association Vice President's term in an effort to help the association and the university fulfill their missions. I served on the Support Staff Association Board as Coordinating Secretary during the 2015-2016 and 2016-2017 terms and as Interim Treasurer when the need arose during the 2016-2017 term. I believe it is important for each of us to do what we can, when we can, and work together to achieve our goals. I hope that you will consider voting for me for this position.
