Job Analysis Questionnaire (JAQ)

The purpose of the Job Analysis Questionnaire (JAQ) is to gather information about a job – its duties/responsibilities and qualifications. The information provided will be used to ensure the job is in compliance with the Fair Labor Standards Act (FLSA), other Federal and State regulations and University policies. Responses must accurately represent the manner in which the job will function.

I. Job Profile

Abilities1		Select
Abilities2		Select
Abilities3		Select
Leaders have the choice to add and additional Knowledge, Skill, or Ability		
Knowledge4		Select

VI. Responsibilities

Please provide a <u>maximum</u> of nine (9) essential duties and responsibilities with a percentage of time spent performing each duty. Indicate the approximate percentage (min 5%) of time spent performing each duty/responsibility on an annualized basis. The total percentage of time should equal 100%. Finally, provide a description of the work product or the result of performing each job duty. While this is intended to be an accurate reflection of the current job, it is not necessarily an all-inclusive list of job-related responsibilities, duties, skills, efforts, and requirements. Begin each essential duty/responsibility with the appropriate actions verbs such as Maintains, Processes, Manages, Designs, Develops, Designs, Procures, Collaborates, Coordinates, Establishes, etc. Management reserves the right to revise the job to require that additional but job -related tasks be performed as assigned. Character limit = 500 each

VII. Exemption Status

a. Supervision Received

Please indicate the level of supervision that this position receives by selecting the appropriate level below.

Direct Supervision: Performs assigned tasks only as instructed or as determined by preestablished procedures. Little to no freedom to deviate from instructions/established procedures unless authorized by supervisor.
General Supervision: Assigned duties may require exercise of judgement, sometimes without clear precedents. Questionable cases are referred to supervisor. Work is reviewed by supervisor for accuracy and overall adequacy.
Moderate Direction: Duties are accomplished with some instructions. Exercises limited discretion on procedures and techniques. Work is evaluated upon completion to ensure objectives have been met.
General Direction: Functions independently within established policies/practices. Work is accomplished without considerable direction. Latitude to make decisions and exercise judgement to achieve defined goals within a team, program or function.
Administrative Direction: Broad management responsibility for a large program or set of related functions. Works with minimal direction towards long-range, strategic goals and are reviewed in terms of results - often in relation to major problems.

b. Supervision Provided

Indicate the level of supervision this job/position provides by checking the responsibilities below, as appropriate. Check here if this position does not have to supervise staff:

Interview job applicants
Make hiring recommendations
Make hiring decisions
Plan and/or schedule work for others
Assign or delegate work to others
Establish rules, procedures, and/or standards
Monitor work of others
Give instructions to others
Formally train others
Evaluate the work of others but do not sign formal performance appraisal forms
Complete and sign formal performance evaluations of others
Discipline others
Recommend promotion of others
Recommend demotion or discharge of others
Make promotion decisions
Make demotions or discharge decisions
Other (Explain):

c. Discretion

Please describe the level of discretion this position holds. Decision making, breadth of responsibility, problem solving, and independence of action all pertain to the level of discretion a position has. **Character Limit = 500.**

Decision Making: Provide examples of the decisions that this position routinely makes.			
Breadth of Responsibility: Describe the impact of the decisions made by this position on the			
department, division, or work unit. Also, please summarize the level of responsibility that the position			
holds.			
Problem Solving: Describe the problems that this position routinely solves or attempts to solve.			
Independence of Action: Indicate the level of independence that this position holds.			

d. Working with Others

Many jobs require interaction with other employees, the general public, vendors, and other people. Indicate whether this position interacts with other university employees (internal) or people who do not work for the university (external). If neither apply, please leave blank.

Exchange routine, factual information and/or answer routine questions.	Internal	External
Exchange detailed information or resolve varied problems.	Internal	External
Access and/or work with sensitive and/or confidential information.	Internal	External
