

This is an agreement between the University of Houston-Clear Lake and the undersigned employee to fulfill provisions of the university's policy on intellectual property, codified as Board of Regents Policy 11.08.

In consideration of my employment by the university, and for other valuable consideration, I agree as follows:

1. I will notify the university (or any individual, corporation or governmental agency which the university may specify) of any invention which I or persons under my supervision conceive during the period of my university employment.
2. I will prepare, without notification, a disclosure statement in the form promulgated by the university and disclosing that information required by the university.
3. At the request of the university or its nominee or assignee, I will assign to the university or its nominee or assignee all intellectual property rights I may have to any such invention in the United States and foreign countries, and I will supply all information and execute all papers necessary for the purpose of prosecuting patent applications on such inventions.

I understand that I am entitled to share in revenue received by the university in a manner consistent with Board of Regents Policy 11.08 and as established by separate agreement at or following the date of disclosure.

I further understand that the university may and will rely upon this agreement in making contracts with others in which the university may undertake obligations with respect to inventions and discoveries of its employees.
