

University of Texas Health Science Center at Houston

Clinical Faculty - Skills and Simulation Lab Instructor

September 2020 – February 2024

- Educates nursing students through lectures, demonstrations, and hands-on clinical scenarios.
- Facilitates and evaluates clinical assignments, reinforcing didactic teachings through coaching and collaboration.
- Collaborates with community health programs, focusing on teaching critical actions to control serious bleeding.
- Communicates with UTHHealth faculty to develop and revise educational tools aligned with student development.
- Serves as a Nurse Faculty Partner for students with approved learning disabilities.

University of Texas Health Science Center at Houston

Adjunct Clinical Faculty/Simulation Lab Lecturer

September 2016 - 2020

- Educated students in Adult Healthcare, Child and Adolescent Healthcare, and Reproductive Health through clinical instruction and simulation.
- Collaborated with clinical staff to create enhanced nursing experiences for students, improving exposure to decision-making in critical scenarios.

University of Houston

Adjunct Clinical Faculty/Skills Lab Lecturer

June 2016 - June 2020; June- August 2024

- Instructed first to third-semester nursing students in clinical nursing practice, developing core concepts for pediatric nursing simulations.
- Facilitated traditional and capstone clinical rotations, including critical care pediatric experiences.

Texas Children's Hospital Emergency Center

Registered Nurse

June 2016 - Present

- Maintains clinical competence among staff, ensuring high-quality, age-appropriate, family-centered care.
- Serves as a liaison between physicians, families, and nursing staff, participating in quality initiatives to improve clinical outcomes.

Nurse Manager

January 2013 - June 2016

- Supervised ~125 employees, providing support and guidance to unit staff and interdisciplinary teams.

- Assisted with evidence-based practice initiatives to improve patient flow and mentored staff in leadership roles.

Charge Nurse

January 2008 - 2013, June 2016 - 2018

- Supervised nursing staff, balanced staffing schedules, and collaborated with interdisciplinary teams to optimize patient care.

Texas Children's Hospital Bone Marrow Transplant

Registered Nurse

September 2012 - September 2013

- Provided competent care to pediatric bone marrow transplant patients, administering hydration, blood products, chemotherapy, and antibiotics.

Harris County Hospital District

Assistant Nurse Manager

January 2006 - November 2007

- Developed tracking systems for clinical criteria, supported EKG training for patient care assistants, and successfully retained new hires.

Registered Nurse

January 2002 - January 2006

- Served in various roles including bedside nurse, charge nurse, and triage nurse, while participating in regional trauma response teams.
