

MEMORANDUM OF ADMINISTRATIVE POLICY TEMPLATE

SECTION: General Administration
AREA: Division of Student Affairs

Number: 01.D.15

SUBJECT: Freedom of Expression Policy

I. PURPOSE AND SCOPE

The University of Houston-Clear Lake (hereinafter referred to as university) is committed to fostering a learning environment where free inquiry and expression are encouraged at each of its campuses. The University expects that people engaging in expressive activities will demonstrate civility, concern for the safety of people and property, respect for university activities, respect for those who may disagree with their message, and compliance with applicable System and university policies and applicable local, state, and federal laws. The University of Houston-Clear Lake maintains its right to place reasonable time, place, and manner restrictions on expressive activities.

Additionally, any activities that are unlawful or materially and substantially disruptive to the normal operations of the university will not be tolerated. The purpose of this policy is to provide for expressive activities to be conducted on university grounds in a manner consistent with these principles. Groups of individuals engaging in materially and substantially disruptive activities or failing to comply with applicable System or university policies, or applicable local, state, and federal laws may face immediate removal from the campus and/or other appropriate actions by university officials and university police.

II. POLICY INFORMATION

- A. As a part of the University's commitment to fostering a learning environment, student organizations and faculty may invite speakers to speak on campus in accord with System and university policies.
- B. This policy is applicable to any Expressive Activity at locations on University Grounds. This policy does not apply to any Official University Event or Activity, except as noted.
- C. Common outdoor areas of the System are deemed traditional public forums. Therefore, those who wish to engage in an Expressive Activity (including literature distribution) may engage in such expressive activity in the university's communal areas (e.g., university parks, grassy areas, and sidewalks) without prior registration or approval.

D. If an Expressive Activity attracts an audience of 50 or more people, substantially disrupts university business or classes, blocks building access, or creates vehicles, pedestrian, or other traffic hazards, then the Expressive Activity may be required to be relocated to another area on campus that can better accommodate the large group or type of activity.

E. Amplified Sound- Amplified sound shall not exceed sixty-eight decibels' levels near university buildings, as measured at the outdoor edge of such buildings closest to the amplified sound. Advance reservation is required before amplified sound may be used on campus grounds and is only permitted in Alumni Plaza (See Section 4.2). Amplified sound may only occur from 4:00 p.m. to midnight on class days, and from 8:00 a.m. to midnight on non-class days. Students, employees, and visitors may use amplified sound on campus grounds only at the locations and times published by the Dean of Students Office. Amplified sound areas may be reserved on a first-come, first-serve basis and are subject to the reservation procedures published by the Dean of Students Office and this policy.

F. University buildings are reserved for use by university students, faculty, and staff, except as provided herein, or otherwise permitted by policies of the university. Non-Permitted Commercial Activities (as defined in section 3.3) are not allowed. An Expressive Activity permitted under this policy does not imply official endorsement by the university. Decisions to be made by university officials under this policy will be based on the guidelines set forth in this policy and will not be based on the content or viewpoint of a proposed Expressive Activity. Groups or individuals engaged in an Expressive Activity are responsible for the content of the expression. Questions regarding this policy may be directed at the university's Dean of Students Office.

G. Grievances- Complaints of a violation under this policy may be made as follows:

Members of the university community may file a grievance regarding an alleged violation of this policy in the manner provided in the applicable University Student Code of Conduct, Student Handbook, University Catalog, Faculty Handbook, or employee/personnel manual.

Alternatively, any complaints of a violation under this policy may be made through the [University of Houston System Fraud & Non-Compliance Hotline](#).

H. Disciplinary Actions- Any person that participates in unlawful expressive activity, or that unduly interferes with the Expressive Activities of others on campus, including at an Official University Event or Activity, may be subject to disciplinary action, as outlined in the Student Code of Conduct, in policies relating to faculty or staff discipline, or in policies or laws relating to visitors on campus.

- I. Literature Distribution- All literature distribution must comply with the following rules:
- a. Literature or other printed materials must be distributed in person.
 - b. Literature or other printed materials must not be forced upon others.
 - c. The free flow of pedestrians, vehicles, or other traffic must not be obstructed at any point.
 - d. Groups or individuals are responsible for ensuring literature/printed materials do not litter the area.
 - e. Literature/printed materials must not promote Non-Permitted Commercial Activities.

This section does not apply to literature/printed material distribution related to a vote for or against a candidate for elective university Student Government (SG) office or for or against a proposition on a ballot at an SG election. Such distribution by registered university students may take place in areas immediately adjacent to SG polling locations and must comply with the university's rules.

J. Signs Posted on University Grounds

The only types of signs that may be placed on university grounds are those that are sponsored by a university department and promote an Official University Event or Activity. Signs may not be attached to university property (e.g., buildings, light poles, benches). University departments wishing to display signs on university grounds that promote an Official University Event or Activity must obtain approval from the university's Dean of Students Office, the Event Scheduling & Space Planning Office, and/or University Marketing and Communications or designee at least seven business days prior to the proposed display. Student Organizations must request approval through the Center for Student Engagement or designee at least seven business days prior to the proposed display. Signs will be subject to reasonable time, place, and manner restrictions and must include the name of the university department or student organization sponsoring the activity that it promotes.

K. Identification Requirements

Students, faculty, and staff engaging in expressive activity on University Grounds must present proof of identity and status at the University upon request by a University official or peace officer. Additionally, any person on University Grounds must present proof of identity upon request by a peace officer.

L. University Flags

Only authorized University personnel may operate, remove, or lower any flag that is raised and maintained by the University. All unauthorized interference with flags raised and maintained by the University is prohibited.

M. Time, Place and Manner Limitations

The University reserves the right to implement and enforce reasonable time, place, and manner restrictions regarding expressive activities including, but not limited to, those set forth in this policy. Further, activities that are unlawful or that materially and substantially disrupt the normal operations of the university's campus are prohibited. Prohibited activities include, but are not limited to, the following:

- a. Activities that are unlawful or that materially and substantially disrupt the normal operations of the university.
- b. Activities that materially and substantially prevent other individuals or groups from carrying out an expressive activity.
- c. Activities that interfere with vehicle or pedestrian traffic including the ingress or egress of university facilities.

- e. Activities that threaten or endanger the health or safety of any person on university grounds.
- f. Activities that result in damage or destruction of university property. Nothing may be affixed to or written on university property or grounds.
- g. Activities that inherently lose First Amendment protection (e.g., defamatory statements, true threats/fighting words, obscenities [as defined by law])
- h. Expressive signage, posters, displays, or structures (herein "displays") larger than 3 feet in height by three feet in width. Displays, literature, and other items may not be left unattended.
- i. Open flames on the university campus without the express written permission of the university.
- j. Any activities that are subject to licensing, code, or ordinance requirements/permits must have the proper licenses/permits and satisfy such codes and ordinances (e.g., serving food and beverages).
- k. Amplified sound that exceeds the levels permitted by the university.
- l. Wearing masks, face coverings, or other disguises that materially and substantially interfere with a University employee's or peace officer's lawful performance of their duties.

N. The University recognizes that some constitutionally protected speech may be considered offensive by some or all listeners. An Expressive Activity does not automatically rise to the level of denying constitutional, statutory, or legal rights of others, solely because a listener is offended by the argument or idea presented. However, expressive activities that interfere with the legal rights of others will not be tolerated, and will be disciplined according to the appropriate System policies, including, but not limited to [SAM 01.D.07 – Anti-Discrimination Policy](#) and [SAM 01.D.08 – Sexual Misconduct Policy](#).

- O. The Assistant Vice President/Dean of Students or designee may require an expressive activity to relocate if: (1) the anticipated or actual number of persons attending the event exceeds the reasonable capacity of the space intended for use and, therefore, materially interferes with the educational mission of the University; or (2) the activity potentially conflicts with previously scheduled activities and events.
