Campus Carry Policy

I. PURPOSE AND SCOPE

The purpose of this document is to inform faculty, staff, students, and visitors of the rules regarding the carrying of handguns on campus by concealed handgun license holders and to address the health, safety, and welfare of the campus community. On June 13, 2015, Governor Greg Abbott signed into law Texas Senate Bill No. 11 (S.B. 11), popularly known as the “campus carry” law. S.B. 11 amends §411.2031 of the Texas Government Code to allow carrying of handguns by license holders on the campuses of certain institutions of higher education, including the University of Houston-Clear Lake. Only a licensed person may carry weapons designated under Subchapter H of Chapter 411 of the Government Code; any other weapons are expressly prohibited. Individuals who do not possess a current concealed handgun license currently are and will continue to be prohibited from carrying handguns on campus. S.B. 11 goes into effect on August 1, 2016.

II. POLICY

This policy is designed to be compliant with S.B. 11 and to address the health, safety, and welfare of the campus community. The policy was written after ample consideration of input from campus constituencies regarding a number of factors, including the nature of the student population, specific safety considerations, and the uniqueness of the campus environment.

This policy applies to all students, faculty, staff, and visitors of the University, except for officers of the UHCL Police Department.

V. PROCEDURES

Failure to comply with any of the following procedures may result in Disciplinary Action.

A holder of a handgun license may carry a concealed handgun on or about their person on the University of Houston-Clear Lake campus and in buildings, except in Exclusion Zones. Handguns must be carried in a holster that covers the trigger. It is the responsibility of the holder to conceal any handgun so that it is not partially or wholly visible to another person. Persons who do not hold a valid handgun license are prohibited from carrying a concealed weapon on campus or in buildings.

- A. **Faculty and Staff:** Faculty and staff may not store handguns overnight on University property. Unless an employee is required to carry a firearm as part of the employee's specific job duties, any possession or use of a firearm by the employee is not considered to be within the scope of employment with the University. As such, any employee who chooses to use a firearm is acting in the employee's individual capacities and not as an agent of the University.
- B. **Alcohol:** Possessing a weapon on campus while intoxicated is prohibited.
- C. **Off campus travel:** University-led groups travelling off campus may exclude handguns to fulfill legal or contractual obligations or to allow a group to travel in a gun-restricted area.

- E. **Intentional reveal:** Intentionally revealing a handgun on campus is prohibited. Any such incident may be grounds for disciplinary action, up to and including removal, probation, suspension, termination, or dismissal from the University.
- F. **Inquiry of handgun status by University employees:** Employees of the University, with the exception of UHCL Police Department, should not inquire as to the handgun status of any person.
- G. **Verbal reference to firearms or other weapons:** The declaration of handgun possession or status may be considered a threat under some circumstances.
- H. **Weapon discharge:** The discharge of a weapon intentionally or unintentionally anywhere on campus by any person may be grounds for disciplinary action, up to and including removal, probation, suspension, termination, or dismissal.
- I. **Other weapons:** All other weapons are strictly prohibited for students, faculty, staff, and visitors, including long guns, knives with blades longer than 5.5 inches, brass knuckles, clubs, and explosives. Their possession on campus is grounds for immediate Disciplinary Action.
- J. **Storage Facilities:** Secure storage areas will not be provided by the university. Handguns may be stored in privately owned or leased vehicles if the vehicle is under the sole control of the driver and the handgun is in a locked compartment.
- K. **University Vehicles:** Individuals with a LTC must maintain control of their weapon consistent with state law at all times.

- L. **Establishment of Exclusion Zones:** The UHCL Police Department will review applications to establish, modify or eliminate gun exclusion zones based on an application by a University unit. The application must contain the exact zone to be excluded, a rationale for the exclusion based on the exclusion zone criteria, and a plan for where required signs are to be placed. If an exclusion is sought based on the language in criteria 7 below, the application must include a complete description of the “significant risk of substantial harm due to a negligent discharge” in accordance with the definitions and the alternate location where meetings may take place that are not subject to an exclusion. The UHCL Police Department will suggest amendments to the list of exclusion zones, including recommendations to add or remove areas from the exclusion list. These recommendations will be taken to the Vice President for Administration and Finance, who will determine whether a building or area should be added to or removed from an exclusion zone and a recommendation will be made to the President for the final approval. These exclusions will be maintained separately in the Campus Carry Appendix 1.
