

Once fully admitted to the University of Houston-Clear Lake, follow the steps below to submit your bacterial meningitis vaccination documents to Med+Proctor. If you decline the vaccine due to reasons of conscience, including a religious belief, you must complete and submit an original notarized Texas Department of State Health Services (TDSHS) Vaccine Exemption Affidavit Form. This is the only acceptable documentation for this exemption. Exemption requests may take up to 3 weeks to be processed and mailed to you. Med+Proctor or UHCL must receive the original affidavit document within 90 days of being notarized (faxed or emailed copies are not acceptable). Medical exemptions must also be submitted through Med+Proctor.
