In submitting this form, I affirm that I am registering for ONLY online classes.

I understand that Texas State law mandates that all entering students under the age of 22 provide either a certificate signed by a health care provider or an official immunization record verifying that the student has been either vaccinated against bacterial Meningitis or received a booster during the five years prior to registration.

I understand that in order to continue to be exempt from the Meningitis immunization requirement, I must complete a new form for each year that I wish to request an exemption.

**I understand that if I enroll in a course that is not fully online and have not submitted the proper documentation to UHCL, the university may drop my class without prior notice.**
