

# Bayou Science & Mathematics Colloquium

Hosted by the College of Science & Engineering

Thursday, September 28, 2017 Bayou 2106, 12:00 Noon – 1:00 PM

## Intuitive Machines: A NASA “Spin-Off” Company Succeeding in the Real World

**Mr. Mark M. Gittleman, P.E.**  
**Executive Vice President**  
**Intuitive Machine**

JSC's Deputy Center Director Steve Altemus and other senior civil servants and contractors founded Intuitive Machines in 2013. Their purpose and commitment was to develop new products and services for Houston industries' most difficult challenges, using NASA techniques and thinking. This talk will discuss Intuitive Machines' vision, challenges, successes, and lessons learned.

**Host: Dr. Ju H. Kim**

**Refreshments will be served in the hallway of Bayou 2106 from 11:30AM – 12:00Noon!**
