

Supply Chain & Analytics Certificate

Name: _____

Student Number: _____

Student Email: _____

This is the claim form for Supply Chain & Analytics Certificate. To earn the certificate, the four-course set below must be completed within a four-year time limit with a grade of “B” and above for each course. If you are an eligible degree-seeking student, fill the form out when you have completed the courses, and send it to your faculty advisor to request the certificate. Your faculty advisor will sign on the document and send to the academic advising office.

| Course | Semester Completed | Grade |
|---|--------------------|-------|
| EMGT 5330 Service and Operations Management | | |
| EMGT 5630 Quantitative Decision Making for Engineering Management | | |
| EMGT 5631 Supply Chain Management | | |
| EMGT 5731 Business Analytics | | |
