

Entry Level Industrial Hygiene Position

Freeport, TX

There is a rare opportunity for an IH position opening with Kelly Services at Dow Chemical – Freeport location. This is a fulltime and permanent position. The ideal candidate would be a student who is about to graduate. The timeline for the job application is limited so if any students are interested to please email their resumes promptly.

They do not need to apply online but to submit their resumes to derg383@kellyservices.com .

Please contact me if you have any questions by email or phone 979-848-4926. Have a wonderful evening!

Should you have any questions or concerns, please feel free to contact me.

Respectfully,

Victoria Cummings
